It's 'Temmy' – Now Get It Right!

by Fred Eisenhammer

WINNETKA – Temmy Walker isn't bothered by those who call her by the wrong name.

She's used to it.

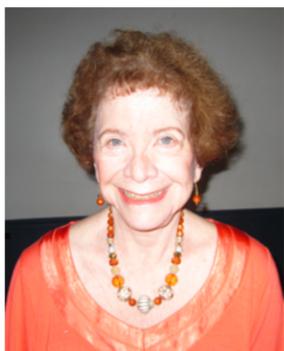

Temmy has had a long history of people calling her "Tammy" instead, but she just brushes it off.

"I don't correct them," she says with a laugh. "Who cares?"

Temmy, 83, is one of the colorful bowlers in the Funtimers senior league at Winnetka Bowl. Averaging in the 130s, she recently blasted a career-best five strikes to begin her first game. She finished with a blazing 219.

Yet, it's her first name that draws a lot of attention. Originally, she went by "Temma" – which was her grandmother's name.

But she changed her name to "Temmy" after graduating from the University of Illinois and then moving to California in 1972.

Temmy Walker, who recently rolled five straight strikes to start her game, is definitely one of a kind.

"I decided to get a nickname and it became my name," explained Temmy, who went on to become an extremely successful executive in the real estate industry.

As for that move with husband Bob from Chicago to California, that also proved interesting: "We came to California with three children and 17 suitcases. They don't allow you to take that on the air-

In Massive Upset, Italy Wins Team Gold At World Championships

by Lucas Wiseman

HONG KONG – In one of the biggest and most stunning upsets in the history of the World Championships, Italy won the coveted five-player team gold medal at the 2018 World Bowling Men's Championships.

Italy defeated two bowling powerhouses full of professional bowlers to win its first gold medal in World Championships history at the South China Athletic Association Bowling Centre in Hong Kong. The only previous medal Italy has ever won at the World Championships was a bronze medal in the 1971 team event.

In the gold-medal match, Italy took down the United States, 2-0, in the best-of-three Baker match.

Italy swept the match with wins of 189-169 and 210-166 on the difficult 38-foot Los Angeles lane pattern.

Nick Campos Shoots 899

FORT WAYNE, Indiana – HISTORY was made again last night with the fabulous bowling achievement of Nick Campos at Thunderbowl #1.

He recorded a 300, 300, 299 for a 899 series. He left a four pin on the last ball.

This is a NEW CITY RECORD. Randy Bockelman held the previous record of 897 bowled on April 11, 2013. CONGRATS NICK CAMPOS.

Canada's Mitch Hupe Closes Worlds With Masters Gold

HONG KONG – After making several appearances in medal rounds throughout the 2018 World Bowling Men's Championships, Canada finally made it to the top of the medal stand in the event's final competition.

Canada's Mitch Hupe swept Team USA's Kyle Troup, 2-0, to win the gold medal in Masters match play at the South China Athletic Association Bowling Centre in Hong Kong. His teammate, Francois Lavoie, also won Masters gold for Canada at the last World Championships in 2017.

In the gold-medal match, Hupe, who was a rookie on the 2018 PBA Tour,

won the opening game in the best-of-three match in overtime after he tied Troup with 192. In the one ball roll-off, Hupe struck while Troup got nine.

Hupe had a chance to avoid overtime in the final frame of the opening match, but he left a 10 pin, converted it and then got nine on the fill for the tie.

Hupe won the second game, 202-190, however, Troup had a chance to force another tie with three strikes in the final frame. Troup left a four pin on his first shot to send Hupe to the top of the podium.

USBC Cup Highlights PBA's Six-City Eight-Tournament 2019 Summer Tour Schedule on FloBowling Series will include \$40,000 USBC Cup points competition and concludes with multi-event FloBowling PBA Summer Swing

CHICAGO – Expanding upon what already will be an historic year of competition, Professional Bowlers Association CEO and Commissioner Tom Clark today announced a six-city, eight-tournament summer series as part of the 2019 Go Bowling! PBA Tour schedule that will include a \$40,000 USBC Cup points competition.

The 2019 PBA Summer Tour will award eight PBA Tour titles beginning with the 20th anniversary PBA/PWBA Striking Against Breast Cancer Mixed Doubles in Houston in July and continuing with stops in Chesapeake, Va.; Wilmington, N.C.; Middletown, Del., and Coldwater, Ohio, before ending in late August with the FloBowling PBA Summer Swing which will include two animal pattern events and the Aurora Open finale in Aurora, Ill. Complete tournament schedules and formats will be announced later.

Open to PBA members as well as non-members, all eight events will be streamed live from first ball to last by PBA Xtra Frame on FloBowling. For subscription and schedule information visit www.flobowling.com.

All summer tour events except the Aurora Open will be classified as Tier 3 points events under the PBA's Tier 1-2-3 points system. The Aurora Open will be a Tier 2 event. The top five PBA members at the end of the summer tour will share in the \$40,000 USBC Cup prize fund – including \$20,000 to the points leader.

The USBC Cup points bonus, sponsored by the United States Bowling Congress, will be part of the summer tour for the next three seasons.

All competition points earned during the summer tour will also apply to 2020 DHC PBA Japan Invitational and 2020 PBA Tour Finals eligibility.

PBA REGIONAL UPDATE: MIKE BAILEY WINS BEAUMONT SOUTHWEST OPEN

BEAUMONT – Mike Bailey from Irving, Texas, defeated Anthony Lavery-Spahr of Pasadena, Texas, 258-202, in the position round final match to win the 17th annual PBA Beaumont Southwest Open at Crossroads Bowling Center in Beaumont, Texas, Sunday. The victory was Bailey's seventh in PBA Regional competition and his second in 2018.

Bailey battled Lavery-Spahr for the lead through most of the match play finals, but trailed Lavery-Spahr by 78 pins before the final game. With the 30 bonus pins awarded for winning the match, Bailey made up the deficit with a 258-202 win to claim the \$2,500 first place check.

Bailey finished the event 18 pins ahead of Lavery-Spahr's 4,853. Houston's David Scardaville finished in third place.

- Mike Moore and non-PBA member partner Shawn Naumann, both of Orlando, Fla., defeated Cristian Azcona of Puerto Rico and non-member Justin Dunn of Deland, Fla., 451-335, in a total pinfall match to win the \$4,000 first prize in the PBA South Region Member/Non-Member Doubles at Break Point Alley Bowling Center in Tavares, Fla., Sunday.

Moore and Naumann won six of their eight matches and finished with a 16-game total of 7,042 pins to qualify first. Azcona and Dunn, who shared \$2,000 for second place, eliminated Dave Stouffer of Lehigh Acres, Florida, and Lee Rathjen of Naples, Fla., 446-377, in the first stepladder match.

- Harry Sullins of Chesterfield Twp., Mich., defeated top qualifier Mike Steil of Wheeling, Ill., 224-194, to win the PBA50 Victory Lanes Midwest/Central Open at Victory Lanes in Kankakee, Ill., Sunday. The tournament was Rich Weber's final tournament as PBA Midwest Region tournament manager. Weber will officially retire on December 31.

Sullins, who earned \$1,500 along with his 36th overall PBA Regional title and his fourth at Victory Lanes, defeated Gary Alstott of Washington, Ill., 267-214, in the semifinal game to advance to the championship match after Alstott eliminated Brian Kretzer of Dayton, Ohio, 234-221, in the first match.

- Scott Kinkaid of Elizabethtown, Pa., defeated Steven Kotowski of Clark, N.J., 278-236, to win the PBA MJK Pro Shop/Knob Hill Eastern Challenge presented by Brunswick in Manalapan, N.J., on Saturday.

PBA Challenge events are open to any member or non-member who has never won a PBA event. Kinkaid, a 44-year-old non-PBA member, was bowling in his 12th PBA event. He qualified sixth and then dominated the field in the bracket elimination finals. He posted 6-1 record, averaging 262.4 over the seven games. Kotowski, also a non-member who was competing in only his second PBA event, posted a 5-2 record.

Kinkaid earned \$1,500 for the win, but does not receive credit for a PBA Regional title because he is a non-member. In the semifinal matches, Kinkaid topped Michael Markis of Tafton, Pa., 269-234, and Kotowski defeated Jeremy Milito of Holbrook, N.Y., 223-214.

- As the PBA heads toward the year-end holidays, a limited schedule of PBA Regional competition is on tap for the Dec. 14-16 weekend, including the Reality Check/CareHawk South Classic at Sawgrass Lanes in Tamarac, Fla., and the Warren Harley-Davidson Central-East Challenge for non-title winners at Freeway Lanes of Warren, Ohio.

- Closing out PBA's 2018 regional calendar will be the PBA50/PBA Houston Emerald Bowl Doubles presented by Bowling Dynamix over the Dec. 21-23 weekend, and the PBA Japan Region's Scorpion and Women's Scorpion Open tournaments at Tokyo Hagashiyamato Grand Bowl.

- For complete PBA Regional schedules, rules and entry information, visit pba.com, open the "schedules" tab and click on PBA Regional Tours to find the event(s) in your area...and remember, you can follow "live scoring" for all PBA Regional events on pba.com (easily accessible for Apple and Android device users using the PBA app).

- Del Ballard Jr., recipient of the 2017 PBA Tony Reyes Memorial Community Service Award, and wife Carolyn Dorin-Ballard have announced a \$72,000 contribution to Cancer Care Services in the wake of their annual "Ballard Vs. The Big C" fund-raiser in Dallas.

- Chris Barnes, the 2018 PBA Tony Reyes Memorial Community Service Award recipient, and wife Lynda drew a field of 241 participations for their 14th annual Barnes Thanksgiving Classic tournament at Plano Super Bowl in the Dallas area, awarding a total of \$17,750 in scholarships.

- Correction: the correct dates for the 20th anniversary Striking Against Breast Cancer Mixed Doubles tournament in Houston, Texas, are Thursday, July 25 through Sunday, July 28. The tournament will be part of the 2019 USBC Cup points series and will be covered live from start to finish by PBA Xtra Frame on FloBowling.

Warning to Beginners: Sometimes Bowling Doesn't Always Start On the Right Foot

by Fred Eisenhammer

WINNETKA – Ouch! Not all beginners to league play will make their indelible mark like Barb Dasaro.

Of course, it's unlikely anyone would want to.

But give credit to Barb – five years later and she's still bowling, and she can still joke about the incident.

It was an experience that Barb acknowledges was no less than horrific for her but has since become just a small blip in time.

"When I do a job, I really do it right," says Barb Dasaro about a bowling experience she's unlikely to forget.

Photo by Fred Eisenhammer

"Only I could do that,"

she says. At the time, Barb was toting a sturdy 13-pound bowling ball about six months after she joined her first league at Winnetka Bowl.

Then disaster struck.

As Barb tells it: "I'm such a klutz that when I went to bowl, the ball slipped out of my hand. I dropped it on the person on the next lane, breaking her toe in two places.

"When I do a job, I really do it right. I was so mortified, I said, 'I'm sorry and I'll pay for the days that you're off.'" The unlucky victim was Bev Zietz.

"I wrote her a letter of apology and gave her flowers," Barb says.

Bev brushed off the incident even though the injury to her big toe on her left foot immediately sidelined her from bowling for three months. "Bev told me, 'You didn't do it on purpose.' She's a very sweet lady," Barb said.

Contacted about the injury, Bev just smiled at the memory. "She really knows how to take out the competition," she deadpanned.

Then Bev added: "I felt as bad for her as I did for me. It was just an accident."

Bev said she appreciated Barb's flowers and her accompanying letter of apology. "I still have that note," said Bev, beaming.

Barb has gone on to become a league favorite for her good humor and disposition. She's been averaging 130 to 140 through the years.

Her bowling highlight came when she rocked a 208 a year ago.

"I was getting strikes and strikes," says Barb, a West Hills resident. "Sometimes, you can't do anything wrong and sometimes you can't do anything right. I couldn't believe [the 208]. It was fun."

She also has bowled an even 500 series – which earned her a commemorative pin for reaching that level. When she was presented with her honor, a disbelieving Barb asked, "What did I get a pin for? Attendance?"

Barb says she joined her bowling league as a way of finding another post-retirement outlet besides dancing and her other activities. "I'm not very competitive. I don't go to Vegas. This was a way of my expanding my horizons and meeting people and having fun. I worked at Blue Cross for 36 years and was tired of being restricted. When I retired, I got into bowling and started crocheting and volunteering at the Cancer Foundation," says Barb, who is 75 and looks many years younger.

"If I knew I was going to live this long, I would have taken better care of myself," she jokes.

She now has a healthy outlook on that stomach-turning dropped-ball incident. "I started bowling with a bang," she says with a laugh. "But all is forgiven, and all is well."

come so close so many times and not come away with a gold medal before today,” Hupe said. “This definitely is a nice way to end the week and being able to successfully defend the title was pretty cool. I think this tournament emphasizes that we are being a team to take note of, and we’ll continue working to improve.”

It was a tough road to the gold medal for Hupe, who qualified for the Masters match play as the No. 20 seed in the all-events standings. He received no byes and had to bowl every round.

In his opening match, Hupe defeated fellow PBA bowler JoJoe Yannaphon, 2-1, before then taking down all-events winner and No. 1 seed EJ Tackett of the United States, 2-0. In the third round of match play, Hupe upset No. 2 seed Andrew Anderson of the United States, 2-1, despite falling behind 1-0 in the match.

In the semifinals, Hupe took on countryman Dan MacLelland and won that match, 2-0, on wins of 199-176 and 224-221. Troup, meanwhile, defeated Ireland’s Christopher Sloan, 2-0, in the other semifinal on games of 230-226 and 245-220.

ships and was the defending champion, while outside of one medal, Italy has no history of success in the event.

Those factors combined to create one of the biggest upsets in World Championships history for the Italian squad of Pierpaolo De Filippi, Antonino Fiorentino, Marco Parapini, Nicola Pongolini, Marco Reviglio and Erik Davolio.

In the opening game of the gold-medal match, the United States had a chance to win after Italy left a 4-9 split in the ninth frame. That gave Tommy Jones a chance to throw two strikes and get six pins on the fill to win Game 1.

Jones, however, stepped up and left a 4-6-7-10 split when the ball checked up and went high in the final frame, handing the victory in the first game to the Italians.

In the deciding game, Italy started with a double to take the lead and never trailed. In the sixth frame, with the match still within a mark, Team USA’s Chris Barnes left the 1-2-4-8 after flagging the headpin right. On the spare, the ball took off and he missed the spare left, only knocking down the 4-8 for the first open frame of the match.

Up 19 going into the ninth and working on a strike, Italy delivered a clutch double to build on its lead going into the final frame. In the ninth frame for Team USA, EJ Tackett left a wicked ringing 10 pin, essentially sealing Team USA’s fate.

Italy’s anchor bowler needed just seven pins on his first shot in the 10th to lock up the win and came up a little light, leaving an 8 pin, and the Italians celebrated their huge upset victory.

In the semifinal, Italy faced a tough test from Canada, another top team filled with current and former professional bowlers. That match went the distance with Italy winning, 2-1, after taking the first game 176-162 and the third game 190-179. Canada won Game 2, 244-210.

With a chance to put the pressure on Italy in the deciding game, Canada’s Dan MacLelland stepped up first in the final frame and if he struck out, Italy would need a double to win. MacLelland came up a little light and left a 2-4-10 split and missed it, allowing Italy to coast to the victory.

In the other semifinal, Team USA had little trouble disposing of a tough Singapore team, sweeping the match 2-0. The U.S. took the first game 238-194 and won the second game 216-189 to setup the match with Italy.

lines now, but they did then,” said Temmy, who’s been married 61 years.

Temmy, who says her name originated in Russia because that’s where her granny lived, acknowledges that she has never met another Temmy. But she does know that one is lurking somewhere.

“I know there is another one in L.A.,” she says, “because she got the [personalized] license plate that I wanted.”

She admits to being shocked to hear another Temmy was around, but this right-handed bowler rolled with the punches. “So, I got a “Temmy W” for my license,” she said triumphantly.

Century 21-PEAK Closes Strong To Take Round Two Jon Diso Takes The Must-Go Clean 30 With 21

by David Yamauchi

DOWNEY – The league entered the final week of the 26th second round with four teams still mathematically in contention for the round. Money was also on the line as the second of four \$1000-added round-end sweeps was in play and the Clean 30 pot was a must-go to end the round.

In that “A” match, **Century 21-PEAK** met up with **Keystone Lanes** after jumping past them the previous week. Century 21 needed 2 points to lock up the round with their 2.5 point lead going into the night. The teams split the first two games but the third game was one for the ages with Keystone holding a triple-digit lead in the 6th frame, Century 21-PEAK turned it on with a handful of strikes to make up the difference and get the last game 731-724 to take two points and lock the round by 1.5 points. Eddie VanDaniker was huge for Century 21 with a nice 605 set while Herbert Jones paced Keystone with a 620 series.

In the “B” match, **Junior Amateur Tour** and **Bowling Guys** were both sitting at 19 wins with a slim chance at the round as they watched the “A” match unfold to their left. The teams split the first two games which eliminated both teams from the round early. J.A.T. finished up the set strong taking game three by 85 and wrapped up totals for a 4-1 win. Kurt Arakaki led J.A.T. with a 546 set while Kevin Jones was consistent for Bowling Guys with a 596 set.

DV8 matched up **Three Olives Vodka** in the high match of the teams eliminated from the round. DV8 took game one by six sticks but it was all 3 Olives from there as they took the last two games and totals for the 4-1 win. Eric Snow led the pair with a strong 629 set.

Buddy’s Bowling Supply and **Professional Approach** were looking to bounce back and add some wins to their season total. Professional Approach started out strong taking game one but it was all Buddy’s from there as they rolled to a 4-1 win. Buddy Lucas was huge for Buddy’s Bowling Supply with a 649 series while Vince Duarte paced Pro Approach with a 582 set.

Del Rio Lanes 7502 Florence Ave., Downey CA 90240 • (562) 927-3351

Cal Bowl and **Tito’s Handmade Vodka** battled in the middle of the pack for the round. Cal Bowl came out huge taking the first game by triple-digits, dropped game two, but came back to finish strong for the 4-1 win. Ramon Torres’ 276-631 paced Cal Bowl while Ralphie Ramirez led Tito’s with a 567 set.

Bowlium was looking to get back on track and **Captain Morgan** was looking to continue their winning ways after one win and five win results last week. Captain Morgan took the 4-1 victory with Donell Carter pacing Captain Morgan at 587. Billy Myers Jr. led Bowlium with a 578 series.

First-round winner **Sysco** was dropped out of the round competition and bowled the scores of Century 21-PEAK the team to their right. Sysco racked up 4 points against those scores and remains the overall league leader in wins. Paul Barraco paced Sysco this week with a 580 set.

Don Julio Tequila, Forest Lanes, Herzog Insurance, Threadworks and **Linder’s Insurance** finished up their second-round action. Forest took four from Don Julio paced by Jon Diso’s 659 set. Threadworks took four from Herzog Insurance led by Shannon Santos’ 571 set. Linder’s bowled Threadworks scores and they were unable to score a point against those numbers.

Financial Advisor’s pot went to Eric Snow (262) for \$185 with 2nd going to Eddie VanDaniker (226) for \$100. Sidepots went to Vince Duarte (211) and Eddie Van Daniker (226) for \$40 each while second-place went to Raul Rosales/Anthony Santos (200) for \$10 each and Gabriel Martinez (214) for \$20. Superpot went to Buddy Lucas (246) for \$140 with Bobby Campagnale/Herbert Jones (226) taking 2nd for \$20 each. Strikeout pot carried over to next week. Jon Diso went the farthest clean without an open with 21 frames which cracks the must-go Clean-30 Pot for the 2nd round and cashes in for a nice \$470.

Come on down and see some of Southern California’s greatest bowlers battle as they start on the 45th round three pattern next Monday night at 8:30 at Del Rio Lanes. See you all next week!
