## Final Numbers Are In As Entries Close For 2006 USBC Open Championships

CORPUS CHRISTI, Texas \* Entries are now closed for the 2006 United States Bowling Congress Open Championships, and this year's event will be the second largest ever held outside of Reno, Nev., when competition begins Feb. 11 at the American Bank Center Convention Center.

The USBC Open Championships (formerly the American Bowling Congress Championships Tournament) returns to Corpus Christi for the first time since 1992 with more than 4,000 additional teams. This year, 12,606 five-player teams will make their way to the American Bank Center. The 2005 event in Baton Rouge, La., the tournament's first visit to Louisiana, was the largest ever held outside of Reno, attracting 13,222 teams.

"We are definitely pleased with the response to this year's event," USBC Chief Tournament Officer Roseann Kuhn said. "We're excited about all of the teams that are making return trips to the Open Championships, and we're looking forward to sharing the tournament experience with all of the newcomers."

More than 30 locally hired carpenters, electricians and laborers have been hard at work transforming the American Bank Center into a 48-lane state of the art bowling stadium, which also includes office space and vendor areas for the event which will run from 7 a.m. until almost 2 a.m. every day from Feb. 11 until July 3.

The 2006 event also promises its share of history, as eight bowlers will attempt to find their way into the record books. Roger Tessman, Homosassa, Fla., Bob Hart, Suwanee, Ga., Bert Lindgren, Liberty Lake, Wash., Carl Johansson, St. Charles, Ill., and George Harry, Midway, Ark., are all scheduled to attend the tournament for the 50th time. Glenn Allison, Anaheim, Calif., and Don Ellis, Sugar Land, Texas, will attempt to join the elite 100,000-pin club.

"The city of Corpus Christi has been so welcoming and things are really coming along nicely," Open Championships Tournament Director Brian Lewis said. "The lanes are in place and the scoreboards are hung and we'll be ready for the bowlers before we know it."

Once the facility has been completed, it will take 50 to 75 workers, also hired locally, to keep the event running through its closing date.

When the Open Championships concludes, it will take workers just five days to tear down the installation and return the American Bank Center to as it was before construction started.

## Las Vegas To Host 2006 Coaching/Pro Shop Summit

*'The Phantom' Nicholson to deliver keynote address*

GREENDALE—Great learning and networking opportunities will abound this year at the 2006 International Bowling Pro Shop and Instructors Association International Educational Conference and Bowling Coaches Summit to be held June 25-27 in Las Vegas.

The annual event returns to the Texas Station hotel-casino complex and promises to present valuable coaching and bowling knowledge from a group of top-rate speakers and seminars for coaches at all levels. Coaches can advance their certification levels with Level I, Bronze and Silver courses. And, new for 2006, the USBC Athlete Development Drills, aimed primarily at high school and college coaches, will debut.

This cooperative summit - organized by United States Bowling Congress Coaching, USBC College, USBC High School, IBPSIA and the Bowling Proprietors' Association of America - is for adult, youth, high school and collegiate coaches and pro shop operators who want to learn from some of the most recognized and respected leaders in the bowling industry.

"This year's lineup of speakers features a variety of new topics," said Director of USBC Coaching Bob Maki. "And of course there will be plenty of chances to network."

Leading the list of speakers will be Len Nicholson, who will deliver the keynote address June 25. A former director of lane maintenance for the Professional Bowlers Association, Nicholson is host of "The Phantom" weekly internet radio talk show.

Among the other scheduled speakers are Team USA Head Coach Jeri Edwards, noted sports psychologist Dr. Dean Hinitz, USBC certified coaches Del Warren and Mo Pinel, industry experts and members of the USBC Coaching staff.

## Ritchie Rules Phoenix

PHOENIX—It was a battle of youth against experience in the title match of the 2006 Motel 6 Phoenix Classic, and the fight wasn't decided until the final frame.

Ritchie Allen, 27-years-old, defeated Del Ballard Jr., a PBA member since 1982, 232-207, to win his second career Denny's PBA Tour title Sunday at AMF Christown Lanes.

Needing to mark in the 10th frame, Allen struck to cap an impressive comeback which found him behind through seven frames.

Allen, who had struck just once through the first six frames, credited the victory to a key ball change he made in the 6th frame.

"I was going to make a [ball] change a few weeks ago in Medford," said Allen, referring to his 3rd place finish in the 2006 Earl Anthony Medford Classic. "I told myself not to doubt myself."

Allen (Columbia, S.C.) fell behind early, striking just once and converting five spares over the first six frames while Ballard, appearing in his first title match since his 1993 U.S. Open win, struck four times over the same span.

Allen's ball change to a Track Threat swung the momentum of the match in his favor.

Allen advanced to his second career title match by defeating Brian Kretzer in the first semi-

## Record Number Of Inquiries For Buena Lanes' 2nd Annual High School Bowling Championships

VENTURA — February 25th and 26th are just around the corner and with the number of inquiries we have had this event appears to be headed towards exceeding last year's turnout. It's the 2nd Annual High School Open Bowling Championships at Buena Lanes.

With the addition of the Graduate Division we are receiving a large number of college students who have called in with questions and requests for application forms.

The High School Division is expected to exceed last year's 12 teams. We have had inquiries from Bakersfield, Fresno, San Francisco, San Diego, Orange County, Ventura County and Hawaii and Las Vegas and Reno.

Divisions are limited to 20 teams each so call today to reserve your spot. You are not required to pay any entry fee when you reserve your spot over the phone. Call now, 805-656-0668, extension 309. You may also e-mail your reservation to [buenalanes1@earthlink.net](mailto:buenalanes1@earthlink.net) and you may also download an entry form at [www.buenalanesbowling.com](http://www.buenalanesbowling.com).

final, 215-192. Ballard defeated Mike DeVaney in the semifinals, 226-201.

Ballard (North Richland Hills, Texas) earned \$20,000 for 2nd while DeVaney (Temecula, Calif.) and Kretzer (Dayton, Ohio) earned \$10,000 apiece for their respective 3rd and 4th place finishes.

The Denny's PBA Tour heads to Trussville, Ala., for the 2006 Jackson Hewitt Tax Service Classic, Jan. 25-29 at Lightning Strikes. The live ESPN televised finals take place Sunday, Jan. 29 at 12:30 p.m. EST, with the winner taking home the \$40,000 top prize and an exemption for the 2006-07 season.

**Notes:** Allen said he changed balls in the 6th frame because the first ball he was using, a Track Heat Blast, was "hooking too much and it was too strong."

When asked if this win as special as his first, Allen commented, "Dreams come true with the first show but careers start with your second."

# Joe Talasy

NORWALK — Joe Talasy, celebrated his 90th birthday doing what he loves most, bowling. Surrounded by family and league friends, Joe enjoyed cake, having his picture taken by Bowling News staff person Herbert Jones and bowling.

Joe was born in Bridgeport, Conn. but didn't start bowling until after his family moved to Akron, Ohio. Akron, big in bowling, needed pin setters. Joe and a pal (some guy named Buzz Fazio) soon became experts and were hooked on the game.

In 1953 Joe moved to Bellflower and worked for Ford Motor Co. until he retired 25 years ago.

Talk about history, Joe has the stories. Joe opened Clark Center and actually rolled the first unofficial game to test the lanes. He was at the openings of Mercury (across from Ford plant) and Cal Bowl.

Currently Joe bowls in five leagues at Keystone Lanes and could probably open a Pro Shop with used bowling balls.

Bowling News staff looks forward to another piece of cake in 2007!

## George Billioux Wins Forest Lanes' 6-Game Sweeper

LAKE FOREST — Good tournaments are difficult to find. George Billioux and Lyle Rollins made their trip from San Diego and Palm Springs, respectively, worthwhile. They ran one, two in last Saturday's 1:00 p.m. Forest Lanes' Six-Game Sweeper. George won the \$300 title plus a \$17 sidepot and Lyle went home with \$174.

Tournament Director pro-tem Herbert Jones said, "It was 'anybody's' title. George, Lyle, Gary Duran, Vernon Adams, Andy Clark or Sean Cochran's. They just didn't crunch the numbers right."

With all deuces, Billioux hit two 700's, 266/705 and 264/711 for a winning 1416. Rollins put on a crowd pleasing sweeper-high 740 set on games of 258-244 and 258.

Traveler Duran out of the starting blocks found the line posting a 735 on games of 255-234 and 246 but faded with a 625 placing third (1360) pocketing \$131. Adam finished strong, 268/706 (fourth) for \$50.

Oh, those low ones, 178 and 161, hurt but the two 268s paid Cochran \$34 in high game money. Clark (255) and Steve Schouder's 277 high game was worth a sidepot.

Jones added, "We paid out a total of \$740; \$570 in position money and \$170 in sidepots."

## LEGEND OF BOWLING

Don Cecil Says...  
NORWALK — Madame Mancini of the Bowling News calls me a Legend (or was that a "Dinosaur"?). So she changed my heading. Here goes...

Let's go back a week to the P.B.A. Dick Weber Open at Fountain Bowl, won by Jason Couch as you know. On Wednesday before the finals I met up with writers Joe Lyou, John Jowdy and Frank Kietz. We chatted a while, then I spotted Barry Asher and Carmen Salvino. Carmen hasn't changed a bit in 40 years. Same guy as when we bowled on the Munsing Wear Team back in Chicago in the 60's. (Did I say 60's?) I AM getting old!

Barry Asher has the Pro Shop at Fountain Bowl, Martin Frost the great wheel bowler, rolled in from Prescott, Arizona. What a great gathering.

Dave Osborne and his staff provided the press with a Chinese dinner on Wednesday, then on Friday a tri-tip bar-b-q. What a great host.

## Team Ebonite Sweeps Again To Go To 19-1

by Randy Myers

**DOWNEY**—With Jerry Ernst 257 and Paul Smith 258 leading the way, Team Ebonite rolled a huge 903 in game 1 and cooled the jets on J.C. Spas and move further ahead of the field in Division “A”. Team Ebonite has already clinched a roll-off spot by winning Round 1, so they are not eligible to win the round, but they have moved into 3<sup>rd</sup> position in the seeding. Paul Smith finished with a league 2<sup>nd</sup> best 717, while Norm Smith led J.C. Spas with 657. Ramiro Garcia looped his way to 673 and help his Columbia 300 team move into 2<sup>nd</sup> place by taking 4 of 5 points from Al’s Bar Supply. Prudential Real Estate used a team effort to sweep past Linder Insurance in a low scoring match and move into 3<sup>rd</sup> place. Family Amusement remained in contention by winning 4 points from Boulevard Brakes, despite Missy Bellinder leading the pair with 653. Vernon Adams rolled another 700 series as he led MoneyNet Residential Loans to a 3-2 split with Threadworks. David Fairow 600 and Marcus Lemons 659 helped out Vernon, while Tony Rodriguez 681 and Anthony Carlton Jr. 657 were tops for Threadworks. In the final match, Jason Peters powered his way to a 691 series and led Roto Grip to a 4-1 victory over Team Storm.

In the “B” Division, Freek Racing’s hold on the top spot was sideswiped and crashed by Tri Star Vending beat them 4-1 to take over 1<sup>st</sup> place. Jon “ICE\*” Brandon was the star for the Vending crew with 693, while Chris “Mac Daddy” Makroglous paced the Freek team with 695. Pro Approach – Lakewood built a huge lead after Game 1 and held on for a 3-2 win over Overboost.com. Greg Jackson led his team and the pair with 671, and no longer a bridesmaid, Scott Norton topped Overboost with 268/646. Vayle Floria’s 668

topped a great team effort for Erickson’s Food as they moved into third place by taking 4 of 5 points from TANGEO.com. Herbert “Super Pot” Jones led TANGEO with 665. Jack Price stroked 665 to lead his Western Pacific team and the pair, but it was only good enough for 1 win versus the consistency of the G.H.C. team who had 3 bowlers 620- 631. Bowlers Depot – West Covina pulled the plug on Clyde’s Video Games by blasting a league best 935/2609 on their way to a sweep. Paul Varela 256/671 and Hermie Lebaquin 660 did the most damage for the Depot team who had all four bowlers over 630. With Raul “Spanky” Rosales leading the way with 681, Reback’s Plumbing got back to winning by taking a sweep over Pro Approach – Downey. And finally, Forest Lanes remained at the bottom of the standings after getting swept once again.

In side-pot action, Vernon Adams came out firing with 278 and took Game 1 honors while Mac Daddy Chris Makroglous slid in for 2<sup>nd</sup> with 223. Game 2 went to Scott Norton with 268 while George Parker picked up place money with 235. Game 3 was again close but it was Herbert “Super Pot” Jones taking in the big money with 258, and Jeff “Spins” Garrison 2<sup>nd</sup> with 256. Vernon Adams added the Series Pot to his pocket with 718. Congratulations to all the winners!

Well we almost had a few people break through this week, but it’s still a matter of adjusting for most. I truly believe we’ll see someone break out for 800 soon, it may be next week, so be sure to come down to Del Rio in Downey and watch it all live. With Team Ebonite ineligible, both divisions are not close to being clinched, so there will be lots of great action this Monday night. Thanks again for checking in and reading up on this great league!

## Southern California Deaf Bowling News Welcome Back Mr. Malucci, His 941 Wins So. Cal. Deaf Classic at Keystone Lanes

by Connie Marchione

NORWALK—In the late summer of 2004, Carl Malucci was stricken by some kind of ailment that forced him to curtail bowling in the 2004-2005 season. Also the Whittier resident had to decline his appointed position on the Deaf Team USA for the January 2005 Deaflympics in Australia because his illness prevented him from doing the \$4,500.00 fund-raising task for the trip in such a short time. His position on the team was later given to Darrell Stogryn.

When he recovered and returned to bowling this season, Malucci entered in the 43rd annual So. Calif. Deaf Bowlers Classic last Saturday at Keystone Lanes. The smooth rolling lefthander had previously won this deaf Classic twice before back to back in 2002 and 2003. In 2002 Malucci set a record 1029 4-games series and broke it in 2003 with the Classic's first ever 300 game in 40 years in his 1049 series. He failed for a three-peat in 2004 when he finished 6th with the Classic's high scratch 884 series.

Bowling on the 2 PM squad at Keystone Lanes, Malucci showed no ill effects of being away for one year when he put together games of 239-210-236-256 for a terrific 941 series.

His score took over first place from Ken DeGroff, Van Nuys who earlier on the Noon squad rolled 197-235-212-246 for 890. With one more squad at 4 PM left and at the end Malucci's 941 won.

The much heralded DeGroff who travels around bowling in deaf tournaments in US had won the \$1,000 Baton Rouge Deaf Classic last August with (300) 981 and the \$1,200 Indianapolis Deaf Classic last October with 949, re-entered in the 4 PM last squad. He had 703 going into his 4th game but finished with a 189 for an 892. That moved him ahead of last year's winner Mark Fisser, Buena Park who had an 891.

There were only 41 entries in this Classic which offered \$1000 first prize based on 100 entries. So Malucci got \$410.00 for first place plus \$18.00 for his 256 game

The surprise second place \$205.00 winner was much improved Robert Scott, Jr. Fontana who had 775 plus 138 handicap for 913. Scott improved from 155 to 169 average and had all his 4 games over his average, Third place \$100 was taken by a former winner (1998) Javier Hernandez, Anaheim with his 811 plus 96 handicap 907.

Daniel Vasquez, Jr., La Puente closed with a 258 game for 818 plus 88 handicap for 906 and 4th place \$75.00 plus 2nd high game prize \$25.00. Fifth place \$55.00 went to DeGroff's 892 which also took the \$25.00 late bird (4 PM) high scratch series, also his 890 took the Noon squad early bird \$25.00 high handicap series and his 247 game took the \$11.00 last place high game prize.

Three times winner Fisser's 891 placed 6th for \$40.00. Other finishers were 7th place \$30.00 Dan Flores, Granada Hills 843+42/885; 8th place \$25.00 Pablo Yoma, Corona 772+104/876 and 9th place \$23.00 Emad Aranki, Covina (146 ave) 667+197/864. Darrell Stogryn, El Camino Village rolled the tournament high game 259 for the \$45.00 prize.

Six women entered in this Classic and Mirna Aranki, Covina's 596/836 was highest but out of money but her 183 game got her \$4.00 while the women's high game \$6.00 prize went to Violet Greenspon, Anaheim's 208. Former winner (2004) Dierdre Alkire, Diamond Bar's 605 got her the women's \$25.00 late bird high scratch series.

With his third win, Malucci ties Fisser as the most with 3 wins. Fisser had won in years 1995, 2000 and 2003. Watch for next year's 44th annual Classic.

## SED Jr. Travel

by David Gordon

TORRANCE - SED Jr. Travel invaded AMF Bowl-O-Drome last Saturday and made the open bowlers take notice. Some very good scoring was the end result and I had a lot of positive comments coming in on the way you bowled and presented yourselves. It made me proud.

This week we had five bowlers for the 800 club, topped off by Deanna Carrillo with an outstanding session of 225-216-203-249/893. That's the way to take it to the guys. Joining Deanna was Michael Gaylor 236-215/842, Eddie Sayles 268/839, Marquis Brooks 225-205-200/819, and Ryan Aguilar 237-213/818. Way to go bowlers.

Additional reportable scoring from J.R. Monteith 202-221/799, Darren Pascual 234-220/781, Javier Hernandez 202-205/770, Bryan Osborne 214/768, Kevin Jones 204/741, Albert Fernandez 201/729, J.D. Pelow 715, Eric Milne 715, and Kim Ferdnance 206.

Now I normally don't mentioned make-up sessions, but this one deserved recognition.

Mr. Monteith put up a 245-258-243/928 series. Now let's get to each session and do that against the competition.

Bowlers, our session this Saturday will take us over to Gage Bowl. Start time (MB) is 2:00.

Also bowlers, if we start on time and there is no make-ups, you never know what can happen afterwards, I'm always up for surprises.

Therefore, get your rest and practice - I'll see you at Gage.

# Action Makes Jackson A Champ Council Captures Keystone

by David Yamauchi

EL MONTE/NORWALK—The JAT finished out 2005 with two events at two of our favorite houses Action Lanes and Keystone Lanes. Good size fields of bowlers came out to both events to challenge the new “PBA-Style” elimination format.

At Action, a field of 26 Open Division bowlers took the lanes for the event. Scoring was low, but qualifying leader Will Jackson paced the field at +103. Low to qualify was David Arellano at +12, earning his spot by winning a 2-frame rolloff with alternate Matt Cormack. Other scoring highlights in qualifying included Brandon McGinnes 268, JR Montieth 267, Mason Sherman 263 and Jeremy Glover 256.

In the round of 8, 4<sup>th</sup> seed Preston Fukumizu took care of 5<sup>th</sup> seed Jeff Spiesman 2-0, while leader Will Jackson, 7<sup>th</sup> seed Caycee Landers, and 3<sup>rd</sup> seed Mason Sherman needed 3 games to earn their 2-1 wins. In the semifinal round, top seed Will Jackson dropped the first game to Preston Fukumizu 225-153 but roared back with 246-188 and 184-181 wins to advance to the final. On the bottom bracket, 7<sup>th</sup> seed Caycee Landers continued to roll taking down 3<sup>rd</sup> seed Mason Sherman in two games 236-189 and 216-187. This matched Will Jackson and Caycee Landers in the title match. Will came out striking, winning the first game 195-183. Then both bowlers got hotter but it was Will Jackson taking a 2-0 win 243-216 and winning his first JAT Open Division title. Congratulations Will on your well deserved win!

In our last event of the year, a field of 27 battled at Keystone Lanes. Scoring started off hot with qualifying leader Devin Bidwell screaming out of the gate with 265 en route to his +185 lead. A generous donation by one of the directors allowed a “holiday gift” cut to the top 16 for eliminations and 8 lucky additional bowlers got to go on including 16<sup>th</sup> place Ryan Council who made the most of his trip home from college finishing with games of 248-223 to sneak out a +10 for the last spot. Ryan leaped alternate Shelby Shirlock +8 for the last spot. Scoring highlights included Matt Harris 279, Ryan Aguilar 279, Jeff Spiesman 268, Joseph Ramirez 259, JR Monteith 258, Jared Lawrence 258 and Devin Bidwell 255.

In the rare round of 16, 16<sup>th</sup> seed Ryan Council shocked top-seed Devin Bidwell in two games as the lower half of the board got red-hot. 15<sup>th</sup> seed Brian Gonzales took down 2<sup>nd</sup>

seed Preston Fukumizu 2-1, 14<sup>th</sup> seed Forrest Holland send 3<sup>rd</sup> seed Samantha Jimenez packing 2-0, 13<sup>th</sup> seed Matt Cormack wiped 4<sup>th</sup> seed Brian Carmichael 2-1, 12<sup>th</sup> seed Kevin Peterson eliminated 5<sup>th</sup> seed Ryan Aguilar 2-1, 11<sup>th</sup> seed Brittany Page struck down 6<sup>th</sup> seed Joe Ramirez 2-1 and 10<sup>th</sup> seed Kevin Valmonte knocked out 7<sup>th</sup> seed JR Monteith 2-0. The only higher seed to advance was 8<sup>th</sup> seed Jeremy Glover scoring a 2-1 win over 9<sup>th</sup> seed Jared Lawrence. In the round of 8, Forrest Holland needed three games to take Brittany Page while Ryan Council, Matt Cormack and Kevin Valmonte swept through to the semifinal matches. In the semis, 16<sup>th</sup> seed Ryan Council met 13<sup>th</sup> seed Matt Cormack. Council remained scorching winning 196-157 and 258-215. On the bottom bracket, 10<sup>th</sup> seed Kevin Valmonte took on 14<sup>th</sup> seed newcomer Forrest Holland. Valmonte was locked in and rolled his way to a 217-178/245-224 win. The final match featured a 10<sup>th</sup> seed Kevin Valmonte vs. a 16<sup>th</sup> seed Ryan Council—just one of the exciting results of the new elimination format. Kevin Valmonte took the first game 166-163, then the bowlers got more comfortable and it was Ryan Council winning 198-191 the roaring to the title 258-210. Ryan was out of the cut most of the day, finished strong to steal the last spot and took down the competition in the elimination brackets for a nice win! Congratulations Ryan on coming home for the title!

Our final regular season event will be this Sunday at Brunswick West Covina Lanes. We have the JAT Doubles (Fountain), JAT Invitational, T.O. Non-Champs (Cal) and T.O. Champions left for our season. Hope to see you all for these events as well as this Sunday at West Covina!

# Greater LA Junior All-Stars Canoga Park Juniors

by Matt Jones

DOWNEY—The GLAJAS took the lanes at Del Rio this past Sunday. Not too many high scores to report this week. If you bowled good this week you earned it. Leading this session was Big Willis Jackson shooting a nice set of 904. The high 800 went to Arisha Piper with an 878.

Other high scores were Kevin Valmonte 818 and Matt “pig dizzle” Jones 816. Good job to Valmonte who earlier in the JST tournament shot bills and won the tournament. You better thank Memo for letting you borrow that ball Kevin.

Now for the team scores, Professional Approach took 11 out of 16 from Kidz Ministry, La Habra 300 takes 14 out of 16 from Team 5, Pin-Point Bowling Concepts takes 13 out of 16 from Tri-Star Vending, and Keystone Lanes almost getting another sweep that is if Arisha doesn't flag a ten pin to lose, but they still take 15 out of 16 from Team 1. Keystone takes a commanding lead over the league for this round with a record of 30-2. We will be at West Covina Lanes this Sunday, So see you then.

# Girls Jr. All-Stars

by David Gordon

DOWNEY - The Girls Jr. All-Stars bowled at Del Rio Lanes this past Sunday, following a tournament that left conditions pretty difficult. Consistent strikes were hard to find and tough splits and spares were the replacement. Just remember though. the more you face these types of conditions and master them, the better bowler you will become.

For reportable scoring we had one bowler making it to the paper, as Melissa Pena put in a series total of 707 to lead the way. On a different bright note, I like to congratulate Deanna Carrillo on winning the Advance title of the JST earlier in the day.

Alright then, our bowling this Sunday will take us to Brunswick West Covina Lanes with a start time of 2:00. Again, we will be following the JAT tournament, so practice accordingly.

This is also our last session for January, which means that it's casual day. You must have your team shirt, but can relax with the bottoms.

Get in your rest and plenty of practice. We have some high scoring to make up for. I'll see you on Sunday.
