LA Bowling Hall of Famer Janine Ditch Passes Away

by Missy Parkin

NORWALK — Los Angeles and San Gabriel Valley Bowling Hall of Famer Janine Ditch passed away on Wednesday, January 29 after a four-and-a-half year battle with breast cancer.

Ditch was a fierce competitor and a force to be reckoned with on the lanes. She won numerous Los Angeles, San Gabriel Valley and Orange County association titles, as well as adding two Women's California State titles to her credit. Throughout her career, she had six perfect 300 games and two 800 series.

1983 proved to be a stellar year for Janine. She helped her team win the coveted WIBC team title. She also had the opportunity to represent the United States as a member of Team USA, competing in the 10th FIQ World Championships in Caracas, Venezuela.

After undergoing two knee replacements and then battling breast cancer, Janine kept her competitive edge, winning her final title defeating Connie Palmer at the 2012 National Golden Ladies Classic in the Super Senior Division.

Her bowling career is a true testament to the determined, strong-willed woman Janine truly was. Once she could no longer bowl, that didn't stop her passion and love for

Janine Ditch

the sport. She could often be found visiting with friends at local leagues and cheering on her friends and “adopted” kids at national PBA tour stops.

Janine is survived by her husband Tom Ditch and three beautiful daughters: Diane, Debbie and Denise and three grandchildren: Madelyn, Jack and Nathan and one grandson on the way. Her family meant the world to her and she lived for her grandbabies.

Janine touched so many people's lives through her caring advice and unconditional love for all. This was evident by the huge turnout at her Celebration of Life ceremony, held on February 5.

In lieu of flowers, Janine requested that any donations be sent to the United States Bowling Congress (USBC) Bowl for the Cure. Donations can be made at <http://www.bowl.com/bftc/>.

ATTENTION USBC CALIFORNIA ASSOCIATION SENIOR BOWLERS!

by Phyl Knoll

CERRITOS — The CAUSBC Senior Singles Tournament is open to all California USBC members 50 years of age at the time of participation in this tournament.

The format is six games total, handicapped 90% of 220, and moving a pair of lanes after the first three-game set. The tournament is held in a different location each year.

Winners in each set age classifications will automatically qualify to bowl the USBC National Senior Tournament, the entries which are paid by the CAUSBC.

Hosting this year's competition will be AMF Cerritos Lanes, 18811 Carmenita Road, Cerritos on the weekend of August 22, 23 & 24, with squads at 9am & 2pm.

If needed, there will be a squad available on August 21st at 2pm. Each application must be accompanied by the \$50.00 entry fee in the form of a Personal Check or Money Order, payable to CAUSBC, as well as verification of your average.

We realize this is so-o much to remember but, don't fret, even though (due to the high cost of USPS postage), we will not be mailing entries to those members who bowled our event last year, but, we do have all the details for you on our website CalUSBC.com.

For your convenience, we even have the application in pdf form so you can complete on-line, print out, sign, and slip right into your mailing envelope.

I guarantee you, these squads fill up quickly. So, "the time is now" bowlers!

Bowling News is proud to bring you...

Chuck Pezzano

Dean of Bowling Writers, PBA & USBC Hall of Fame

Did you ever stop to realize that one of the most incredible inanimate objects of all time is a bowling ball?

Many millions, probably more than a hundred million bowling balls have been manufactured since the early groping days of the sport nigh a century ago.

Where are they now? It seems to be part of an unwritten code not to throw bowling balls away. Seldom do you see bowling balls offered for sale at flea markets or garage sales. Often bowling balls are handed down from generation to generation,

Every bowling ball has been loved, hated, petted, boot-ed, praised, scorned, prayed to in heavenly manner and sworn to hell. Some bowlers talk more to their bowling balls than they do to their families. Long before pet rocks there were pet bowling balls.

A bowling ball almost always has and continues to be one of history's great bargains. Most have good guarantees and survive two or three human lifetimes. If the cost of a bowling ball is rated over its useful years, there never has and probably never will be a piece of sporting equipment to match it.

No matter how many bowling balls you may have, and most bowlers are moving into the two and three each category, including juniors, it's oh so hard to part with them, as a general rule. I've seen bowling balls heaved into rivers and oceans and garbage dumps, but that's the exception.

Pros are almost fanatic when it comes to bowling balls. Some have had more than 200 in his garage, practically every one he ever owned. I don't know of a pro bowler who doesn't have a solid store dozen balls scattered around the home or stashed away with relatives, friends or neighbors.

Now for the big questions. What do you do with old bowling balls? And what uses have been made of them in the past? First of all, there is no such thing as an old bowling ball, just mature specimens of a too often overlooked art.

I've seen bowling balls used as fill in construction work and also seen them tossed into a concrete wall, mixed with the soft cement in the form.

Bowling balls have been used as decorative and useful objects between fence posts or on lawns. Bowling balls have been attached to chains and used as battering rams or dropped down through chimneys to help clean them or force objects down.

Bowling balls have been used as weapons, man against man or man against machine. Criminals have used them to knock down doors and also to break some sturdy show-case windows. Bowling balls have been made into lamps, fish bowls, doorstops, plant holders, center piece decoration for tables and in many ways as weights to hold down everything from paper to boats to cars.

Bowling balls are used in other sports. In addition to bowling as imaginative minds sighting bowling balls come up with all kinds of new games. Bowling balls are revived periodically by bowlers since every bowler figures that every ball always has some life left, and most of the times they're right. Many so called old, discarded balls have won major championships with the help of a bowler.

One of the most beautiful uses of bowling balls came when they were used to form the largest set of rosary beads ever on the lawn of a religious building.

Of course the silliest I've heard about is using a bowling ball as the focal point of a roll-on deodorant — for elephants.

Life is short, for people and things, but bowling balls seem to roll on and live on in one form or another for close to forever.

DAN FLORES' 906 LEADS DEAF TRAVEL AT MISSION HILLS BOWL

MISSION HILLS — Dan Flores rolled his third 4-games 900 of the season, a 906 gem to lead on So. Calif. Deaf Traveling League's stop at Mission Hills Bowl. The smooth rolling right-hander hit all two's games of 226-241-233-206 to top the day's honor roll of 6 bowlers. Flores' best this season was a 300 and 963 rolled last November 17 on league's stop at Gable House Bowl. His perfect is the only third such game in this all-deaf bowlers scratch 54 years old league.

Following Flores on the honor roll was the league average leader Mark Fisser with 873 from games of 210-235-236-192. With this 873 Fisser holds his average at 227.

After Fisser, was the league President Ed Abakumoff who finished his 778 series with the day's high game 247. Only last week in his Senior League at Brunswick Moreno Valley Lanes Abakumoff shot three games 740 series. Bob Jones whose league leader Eagle Rock was matched with Fisser's 2nd place Anaheim, duelled with Fisser and beat him in first game match 231 to 210. In other three, Jones could not keep up and ended up with a 771 series. Fisser's teammate Emad Aranki made the honor roll with his 702 and league Secretary-Treasurer Bob Taylor hit a 201.

As in above the scheduled match up Fisser's Anaheim with help of Aranki's 5 points sweep beat Jones' Eagle Rock 14-6 to cut Eagle Rock's lead to 10 points. Third place Mid City in a hard fought battle, lost 9-11 to Flores' S F Valley with Flores himself sweeping 5 points. Fourth place Abakumoff's Riverside and last place Orange County were short two bowlers each and Riverside having the strongest league team average, beat Orange County 14.5 to 5.5. The huge win moved Riverside to within 1.5 points behind 3rd place Mid City. This 54 years old traveling league thanks Mario and Dave for having its bowlers use the lanes this season. The next travel stop is at the long time favorite house, Del Rio Lanes on February 23 with bowling time at 12 Noon.

TEXAN HENRY DYER OF DYER BOWLING TWINS PASSED AWAY LAST MONTH

DALLAS — Ed Abakumoff informed that he got the news from Billy Downing, TX that Henry Dyer, one of the Texas Dyer bowling twins passed away last month after a long battle with cancer. He was 41 years old. Henry and his twin brother Sammy are good bowlers entering as doubles together. Two years ago Sammy Dyer placed 2nd in the Great Lakes Deaf Tournament. Our condolences go to Sammy and their family.

Note: The Dyers were not the first bowling twins. In Southern California we had the Skinner twins, Robert {Bob} and Roger both deceased in their 80's. Both were average bowlers and bowled in deaf leagues and tournaments. Both were members of Southern California Deaf Traveling League.

ORANGE COUNTY
IS LOOKING....

by Joy McGregor

GARDEN GROVE — For a few good men and women for induction into our Hall of Fame.

Surely you either bowl with or know of someone who excels in the Superior category or someone who supports and contributes to our sport for the Meritorious category?

Get your thinking caps on and start diligently searching. We would like to plan a Hall of Fame induction ceremony to honor some special people this year.

The necessary Hall of Fame nomination forms are on our website: ocusbc.org to be downloaded. All criteria for both categories are listed. So, Get Busy!

We are also in the process of creating new nomination forms for our Officer of the Year award.

BURBANK — This past weekend, I bowled the womens portion of the City Championship Tournament. I was quite dismayed at the very poor attendance. To think we used to fill the house for 2 squads, at least, each day. The first weekend in March is the Open portion, meaning teams of men or men and women combined. It is not too late to sign up. Entries have been extended! I'll see you there!

TRI-SENATES continued from page 1

In fact, it is anticipated that most of the squads this year will be completely full before the March 31st deadline. Therefore, bowlers are strongly encourage to get your team in early to ensure they get the squad(s) of their choice. In addition to the grand prizes, there is an added incentive to attract “the average bowler” (teams with a combined entering average of 900 or less) as well as “seniors” (teams with all bowlers aged 55 and over). The tournament will be paying bonus prizes to the top teams in each of those two categories!

Each squad will also have an optional round robin sweepstakes doubles event as well as lots of side pots, brackets and the exciting “Team Eliminator” to start off each squad. Nothing but pure fun and lots of prize and side monies to be earned! With this tournament the Tri-Senates of So CA is reaching out to all bowlers from everywhere to participate. Last years tournament paid out \$15,000 to the first place team and 22 total places for the tournament plus bonus pay outs to the top low average team and all seniors teams. This is a handicap tournament with five bowlers mixed with any kind of 3/2 combination. Multiple entries are allowed if three bowlers are changed. There is also a 1050 maximum team entering average.

The tournament entry fee as previously mentioned is only \$65 per bowler or \$325 per team before March 15th and after March 15th the entry fee increases to \$70 per bowler with the deadline of March 31st. Also, we have incorporated a squad organizers component to reward those individuals that can bring in 10 or more teams. Please contact a tournament director for more information on the squad organizers bonus reward program.

The Tri-Senate of Southern California was founded in 2006 and is an official affiliate of the National Bowling Association, Inc. (the second largest membership bowling association in the country next to USBC) and as such all participants must be current members of both TNBA and USBC. Bowlers without a current TNBA membership may purchase membership prior to the tournament by contacting their local bowling senate or one of the tournament directors listed in this weeks ad.

For more information on this tournament and how to become a member of TNBA you may contact tournament director, Mr. Eugene Richardson at the Tri-Senates of So CA office at 310-846-4596 x 450. Please see the ad in this issue as well as for additional information and an entry form for the tournament, please visit the Tri-Senates web site at: <http://tri-senatesofsoca.tnbainc.org>

LETTER TO THE EDITOR

NORWALK — Several years ago, I had the opportunity to speak with Billy Myers, Sr. about Glenn’s 900. He told me of animosity within the ranks of the San Gabriel Valley Bowling Association; of which La Habra 300 Lanes was a member at the time. Several board members were jealous of Glenn’s accomplishment, and decided that “the lanes were rigged.”

As a bowler and certified mechanic and lane man, I can attest to the fact that, if the lanes had been “rigged,” the wall would have been destroyed by the bowlers from the earlier league. Further, there was no honor score shot on that pair of lanes during the earlier league. If the lanes were walled, there would have been more than one honor score shot on that pair.

In speaking with Glenn himself, he stated that, “...the ABC didn’t have an award for a 900 series; only awards for 300s and 800s.” Then, ‘... the ABC let the lane doctoring findings stand.” This move by the ABC disallowed Glenn from receiving three 300 rings for his games; even though the ABC had awards for 300 games.

(As a teenager, I had the opportunity to receive a few pointers from Glenn and Andy Marzich when they stopped by the (now gone) Arcadia Lanes on Morlan Place, in Arcadia.)

Sincerely,
Tom Adams

O.C. TOURNEY continued from page 1

ROUND 4 - WEEK 2

by aka Wonder Woman

DOWNEY — Monday night the PINO'S PIZZA team was cookin'! Winning five from THREADWORKS was a great team effort. Ramon Torres 518 has the Ebonite record for splits, Chuck Weeks had his highest series this year 667, Josh Tajiri splashed around, but finished good, adding 534. Leonard Ruiz started off slow, but kept shifting boards til he found "IT"! 288/647.

THREADWORKS were the "spare" kings against PINO'S. No matter how hard they pounded the bowling God served up 9. For suyre no turkey were on the menu.

Next week PINO'S takes on POWER HOUSE VIDEO GAMES which is 21st overall in wins. This could be the only chance POWER HOUSE will have to win a round or at least stay in the running. The fun is over — let the "GAMES" begin!

AMATEUR BOWLERS TOUR was not on the road. They were "in the house" and snagging games by a mark or two. Game One A.B.T. 843 to SYSCO 809. Game Two, SYSCO 803 to 779 for A.B.T. Third game A.B.T. 802, SYSCO 794. TOTALS 2424 to 2406.

Every time the lights come on and the pins come down every bowler wants to line up at the "LOST and FOUND". Finding some side-pot bucks eases the pain for Sol Cericos 243 for \$63 and Eddie Vandaniker 247, another \$63. Paul Varela pocketed \$189 for his third game 245.

The ladies see-sawed for 3 games. UP....included Nicole Vandaniker 198, Jessica Diso 191, Debbie Abahazy 201 and Jean Colian 207/544. On the DOWN side of the see-saw, 22 guys were under 500, lowering the whole league average to 194.

ZUNIGA'S PLUMBING rolled games of 709, 707, 702. Hey, they won one! FOREST LANES was another consistent bunch — and won 4 with 736, 744, 747. The 747 was 3 pins higher than HERZOG'S third game 744.

Another interesting game. #3 for POWER HOUSE. Juan 221, Robert 171, Francisco 141 and Clinton 171. Monday, of the 288 games bowled. 32 games ended in 1. 22 games ended in 0, and 23 games ended in 6. (Interesting facts that clog up the grey matter!)

The Ebonite League bowlers still look good in their team shirts and when they have figured out the current oil pattern — and what works — it makes the night worth while.
