Joan Feinblum Loses Cancer Battle

by Mary Lynly

SANTA ROSA — Joan Feinblum was always up, cheery and positive and during her years of various treatment methods for cancer if you asked how she was doing the answer would always be, “Hangin’ in!” Her body was ravaged from the infusions and things nursing care facilities have to do to help people sustain life but on April 22, at 1:00 PM Joan Feinblum decided enough was enough and quietly went to sleep for good.

Joan was born in Venice Beach, California and early on in her life lost both of her parents. She was a graduate of the University of California Los Angeles (UCLA) with a degree in physical education. Always up for the challenge, her first job was at a school for wayward girls. She later came to Northern California to work at Napa State Hospital as a State of California Department of Mental health Administrator, a position she held for 19 years.

She was not a great bowler but she loved bowling and all of the people she met and befriended all over the United States many times paying her own way to attend association annual meetings. For many years she shared a home with her good friend Mozelle Walker and “Mo’s” mother in Santa Rosa, California. Mo and Joan were collectors and their home was filled with Jim Beam bottles, Toby mugs, antique cookie jars and at one point they actually had 17 antique cars!

Joan was generous to a fault and if you complained about her over-zealous gift giving she would say, “Just stop it –it makes me feel good and I love doing it.” Her contributions were many in the bowling world. She was a WIBC/USBC member nearly 60 years and a NWBW/BWAA member for nearly 50 years. She was president of the California WBA and Redwood Empire WBA where she also served as Secretary and rose to the rank of 2nd Vice President of the WIBC.

Joan was an excellent and convincing speaker and as one committee member said, “I am not one to change my mind easily but she could sure do it.” She had little regret and her rationale was usually right on. She was honored as an inductee to the California and

USBC Halls of Fame.

Joan was always fun. Her email was “JollyJoan!” and that she was. At various meetings and events we were always waiting to see what Joan and Mo were going to come up with.

The objective on her resume submitted when she ran for a BWAA Director pretty much tells what her goals were: “To make an impact that will help make decisions that will bring the organization in touch with the 21st century and gain new members. I believe my experience, knowledge and training gained from serving on a variety of boards within the bowling industry and my knowledge and training in Governance can be beneficial.”

For all who endeared themselves to Joan, the light she brought into our lives will be missed. She was one of a kind.

VINCE WOOD Wins His Third Citrus Belt Masters

by Frank Weiler

REDLANDS — Vince Wood won his third Citrus Belt Masters Title last Sunday at Empire Bowl. He is the first man to become a three time winner of our most prestigious tournament. Other two time winners were ROY DUNN (1963, 1965) and MIKE RICK (1994, 1995). Rick also won our Senior Masters Tournament in 2006.

The annual Citrus Belt KELLY C. MASTERS Tournament features a double elimination match play finals, with each match being decided by total pins for two games. Vince Wood came out of the second chance bracket to win the title. After winning his first three matches, he lost a close one to Ventura’s ZARNOFF BENOUT. Undaunted, Vince came back to win his final three matches to win his crown. Our champion finished with a 6 -1 match play record and the second highest overall average (236) for the finals. LAURA LEE DANIEL’S 239 average was high for the finals.

Laura Lee and NICOLE ELLISON were the only women to challenge our best male bowlers. Laura Lee finished tied for seventh place. It is the best finish by a lady since ALISHA HILL came in third several years ago.

Vince had to defeat some great bowlers to win the tournament. He won two matches from PBA National Champion (and our defending champion) MIKE DEVANEY and two from runner-up Zarnoff Benout.

Our top eight finishers were:

| | Won-Lost | Average |
|----------------------|----------|---------|
| 1. Vince Wood | 6 -1 | 236 |
| 2. Zarnoff Benout | 4 - 2 | 229 |
| 3. Mike DeVaney | 4 - 2 | 224 |
| 4. Eddie Van Daniker | 3 - 2 | 222 |
| 5. Bobby Campagnale | 3 - 2 | 233 |
| Justin Ziegler | 2 -2 | 208 |
| 7. Laura Lee Daniel | 2 -2 | 239 |
| Toby Lee | 2 -2 | 214 |

Our competitors rolled four perfect games, one during our three qualifying squads and three during the finals. Eddie Van Daniker led the way with two perfectos, one during qualifying and one during the finals. Justin Ziegler and Vince Wood rolled 300s during match play.

By my last count there were 43 entries, with our champion winning \$1000.00. Vince used his Ebonite Champion ball throughout the finals and told me he only had to change his hand position to keep striking. No ball changes were necessary. He started the finals playing inside but moved right after he saw Justin Ziegler, on the pair of lanes next to him, firing strikes from the right side. The tournament was bowled on Kegel’s Abbey Road oil pattern.

Citrus Belt President MIKE RADDEMAN is thankful to RICK and ALISHA HILL for conducting a great tournament. The Hill’s have been conducting our Masters Tournament for years now and always do a great job. Our thanks also to the BOWLING NEWS for publishing our results.

Walter Ray Williams Jr. Wins PBA50 Sun Bowl In The Villages for 5th Career PBA50 Tour Title

THE VILLAGES, Fla. — In a stepladder final made up of three of the Professional Bowlers Association’s all-time greats, Hall of Famer Walter Ray Williams Jr. of Ocala, Fla., prevailed to win his fifth career PBA50 Tour title by capturing the Sun Bowl In The Villages presented by Hammer title Tuesday at Spanish Springs Lanes.

Williams, the reigning PBA50 Player of the Year, defeated fellow Hall of Famer and 2012 PBA50 Rookie of the Year Amleto Monacelli of Venezuela, 276-216, in the championship match to win the second tournament of the 2013 PBA50 Tour season.

Williams found it necessary to implement the unusual technique of using a different ball on each lane of the championship pair in the title match to get the desired ball reaction on each lane.

“It’s not something I normally do, but I practiced with a few balls and was able to determine that if I needed to make a change like that I had the equipment I could do it with,” Williams said. “It turned out that I made the right decisions at the right time and Amleto had a couple bad breaks and I was fortunate to get the win.”

It was a rematch of the last time Williams and Monacelli, a 19-time Tour winner, met in a PBA50 Tour championship match when Monacelli defeated Williams 255-247 to win the 2012 PBA Senior U.S. Open last June in Las Vegas.

“Anytime you can beat Amleto it’s an accomplishment,” said Williams, who owns 47 PBA Tour titles which tops the all-time list. “There were so many great players in this tournament I feel very fortunate to be here.”

North Carolina’s Joe Scarborough Rolls First 900 Series in PBA History

Senior “rookie” starts PBA50 Sun Bowl at The Villages with three consecutive 300 games

THE VILLAGES, Fla. – Joe Scarborough of Charlotte, N.C., rolled three consecutive 300 games to start the first round of qualifying in the PBA50 Sun Bowl at The Villages at Spanish Springs Lanes Sunday, recording the first 900 series in Professional Bowlers Association history.

Scarborough, who turned 50 in October 2012, is bowling in only his second PBA50 Tour event. He qualified 38th in the re-named PBA Senior Tour’s season-opener in New Port Richey, Fla., last week, but lost his first best-of-three-game single-elimination match.

The self-employed electrical contractor threw another strike to start his fourth game, but his streak ended at 37 in a row when he left a split on his 38th shot. Three straight sub-200 games then toppled him out of the lead and into a tie for 12th place with 1,921 pins, 77 pins behind leader PBA Hall of Famer Mark Williams of Beaumont, Texas, who averaged 249.75 for eight games to lead the field of 159 bowlers with a 1,998 total.

“I’m pretty surprised,” Scarborough said. “I had the shot, I took my time and it worked out. To be honest, no, I wasn’t nervous. I was pretending I was at home practicing, and I blocked out the crowd and focused on executing every shot.”

“After the first three games, I moved to the other end of the house where the lanes were drier and I just couldn’t get the ball down the lane the same way. It wasn’t the pressure.

“It’s unbelievable, especially to be the first in the PBA to do it,” he added. Scarborough said his previous high three-game series was an 838 and he had 14 previous 300 games.

“It’s interesting that I used a different ball to start practice, but I switched (to a Storm IQ Tour Pearl) and I threw six strikes in a row to end practice. So I decided to start with that ball. I knew I had something good, but not this good.

“I’m proud of what I’ve done so far,” he added, “but I’ve still got work to do.”

Scarborough’s perfect start set PBA50 Tour records for consecutive 300 games (the previous record was two by Norb Wetzel of Fond du Lac, Wis., in Albany, N.Y., in 1998 and by Rohn Morton of Portland, Ore., in Tucson, Ariz., in 2005), and highest three-game series. He also tied the record for most 300s by an individual in a PBA50 Tour tournament, shared by Ron Mohr of Eagle River, Alaska (Columbus, Ohio, 2010) and Bob Kelly of Dayton, Ohio (Mooresville, N.C., 2010).

Norm Duke of Clermont, Fla., bowled three consecutive 300s in a standard PBA Tour event in North Brunswick, N.J., in 1996, but the performance didn’t count as a 900 series because he ended one round with two perfect games and started the next round with the third perfect game.

Williams, who rolled games of 269, 234, 259, 268, 204, 279, 268 and 217, said he had his only open frame in the 204 game.

“The conditions were really good,” Williams said. “There was a lot of oil in the front, some hold area and the carry was good. But there are a lot of games to go, so we’ll see how things go.”

The PBA50 Sun Bowl in The Villages produced another record when 87-year-old Darrell Ducat of Perrysville, Ohio, became the oldest player to compete in a PBA tournament.

Bob Learn Jr. Overcomes Back Injury to Win PBA50 Pasco County Suncoast Open

NEW PORT RICHEY, Fla. – Overcoming a back injury suffered in qualifying, Bob Learn Jr. of Erie, Pa., won the PBA50 Pasco County Suncoast Open Benefiting Wounded Warriors Wednesday at Lane Glo Bowl for his second career PBA50 Tour title.

In the first tournament of the 2013 PBA50 Tour (formerly Senior Tour) season, Learn defeated PBA Hall of Famer Wayne Webb of Columbus, Ohio, 226-206, in the championship match.

Learn, also a five-time PBA Tour winner, injured his back when he slipped slightly on his approach during the fourth frame of the first game of Tuesday's second round of qualifying which caused a sprain in his lower back. He managed to struggle through the rest of the round but didn't know how long he would last.

With the help of Gulf Coast Spinal Center, one of the tournament's sponsors, Learn was able to get treatment on Tuesday evening and Wednesday morning to at least make an effort to bowl in Wednesday's match play.

"I thought I might have to withdraw after a couple games in the second round of qualifying but I managed to struggle through it," said the 51-year-old Learn. "The treatment helped to the point where I felt good enough to at least start match play but I had no idea how far I could go after that. The expectation was not to win but maybe make it through a match or two."

"I felt about 20 percent yesterday but felt about 80 percent today," said Learn, who had to win five matches to get to the championship match. "I was actually getting better as the day went on and was probably in my best shape when I had some of my toughest matches toward the end of the day."

One of those matches was the semifinal where Learn defeated Hall of Famer and reigning PBA50 Player of the Year Walter Ray Williams Jr. of Ocala, Fla., 229-216, to advance to the championship match.

Webb, who was trying to win his sixth PBA50 Tour title, defeated Tim Kauble of Marion, Ohio, in the other semifinal

match, 245-206.

Woman amateur standout Lucy Sandelin of Tampa, who qualified third, was eliminated in the Round of 16, losing to Mike Dias of Lafayette, Colo., 3 games to 1. The United States Bowling Congress Hall of Famer was making a bid to become the first woman to win a PBA50 Tour tournament.

The next stop for the PBA50 Tour will be The Villages, Fla., for the PBA50 Sun Bowl In The Villages presented by Hammer April 20-23. PBA's online bowling channel Xtra Frame will once again provide start-to-finish coverage of the Sun Bowl In The Villages. Johnny Tran 3rd ABTA Victory 3-6-9 will be \$1,000 & Match Series est. at \$1,000 Mark Allen hits Match Series \$3,145 With His 533 Match Game estimated at \$5,000 Saturday *ABTA at Covina Bowl 1 Day Event*

WESTMINSTER — We returned to Westminster Lanes where we saw a semi-tough shot. 140 entries come out on Saturday for an exciting day of bowling. The cut scores were +58 for the men and +10 for the women, on a very fair shot this week. The Super Seniors added to the board (two men and one Woman) Ray Francisco +42, and Ray Varela +38. Super seniors are men 63 and over. For the women you just need to be a young 55. That would give us 43 bowlers making it to the semi-finals. There were no women to add as Super Senior Women made it on their own.

High qualifiers for the tournament were Mike Bousquet for the men with a +146 and for the women it was Beth Borci with a +60. They will get a paid entry into a future regular ABTA event. Each week our top seed draws the Match Series, and this time it was worth \$3,145. Mike would draw the score. He drew a 533. We had one bowler who shot that, it was “Lucky” Mark Allen and he will take home the whole pot. We will estimate the Match Series at \$1,000 at Covina Bowl event. We saw Tim Tran be the last one standing for the shot at \$900 in the 3-6-9 roll off. He missed on

the first shot and got a \$50 consolation for his beer money. We will go for \$1,000 next week at Covina Bowl.

In our optional doubles, finishing in first were Ricardo Baca and Mark Andrews with a 1461 for \$100. Second was Steve Brode and William Garrett with a 1403 for \$80. There was a total of \$1,080 paid out in doubles and 24 paid spots with low to cash of 1309.

It was Beat the Board Finals, where you finish is where you will end. 43 Finalists took to the lanes for the 3 game Finals. After game one, low for the top 10 was a +38 and that was George Marquez and Freddy Zamora. The top five bowlers were Ray Varela in 5th with a +42, in fourth place was Michael Kong with a +48, in third place was Benjamin Chung with a +49, in second place was Ben Bagaosian with a +52, and in first it was Johnny Tran with a +78. After game two, in 10th was Carla Sanchez with a +65. In ninth place, it was Jack Trongale and Bernie Navarro at a +67. In 7th, it was Hyun Ok Park at a +75. In 6th it was Beth Borci with a +79. 5th was Ben Bagaosian with a +81, in 4th Steve Brode with a +85, 3rd was Michael Kong with a +87, in 2nd was Benjamin Chung

with a +99, and in first it was still Johnny Tran with a +106.

We now enter the final game and there would be changes in the top 10 bowlers. Finishing in 10th thru 16th place for \$100 were Ted Villaroman and Hyun Ok Park at +57 for 15th and 16th place. 14th, it was Julie Nguyn at +68, 13th was Ben Bagaosian at +72, 12th was Michael Kong at +72, in 11th was George Parker at +73, and in 10th it was Bernie Navarro at +74. Finishing 6th thru 9th place for \$105 it was Freddy Zamora at +76 in ninth place, 8th was Ricardo Baca +85, in 7th was Carla Sanchez at a +94, and in 6th it was George Marquez also at a +94. 5th place it was Beth Borci at a +95 for \$110. In 4th it was Steve Brode at a +96 for \$110. Finishing in third place it was John Camisa at a +97 for \$120. Finishing second place for \$500 was Benjamin Chung with a +98, and yes folks a mere 4 pins that separated seventh and second place. And finishing in first, winning his first ABTA Title with a +129 for \$1,000 first place and \$1,700 in Cash and Carry was Johnny Tran for a total of \$2,700. Johnny bowled so well and deserved this one. He has been a faithful member, and One of the Good Guys. Congrats to

Bert San Andres A True Gentleman Feb 24 1924 April 6 2013

On a very sad note the ABTA and Friends are so sorry to hear of the passing of Bert San Andres who was laid to rest April 20th in Hollywood Hills. Bert was one of the Nicest Men to ever bowl in the ABTA and a Finer Gentleman you will not find.

He was a great family man and married to Liza with five children and four Step Children. He was an ABTA Champion in the 80's and more importantly, a Champion of a man whom we will never forget.

He leaves many friends and two nephews James and Jonathan who are ABTA members and fine people. Bert is working on that perfect game from above. Rest in Peace Our Friend we are so lucky to have known You. God Bless YOU.

Mark Allen Bags a \$3,145 Match Series at Westminster Mark Allen made a 533 scratch series pay off nicely at Westminster Lanes as the likeable young man took home a sweet \$3,145 for the fine bowling:-). Mark (Center) is congratulated by Bob Smith (left) and ABTA casher in 14th place Julie Nguyen.

NATIONAL DEAF BOWLING NEWS

JONES 760 LED DEAF TRAVEL’S NOT GOOD DAY AT CAL BOWL

LAKEWOOD — So. Calif. Deaf Traveling League had it’s worst day of the season Sunday at Cal Bowl with the bowlers averaging 152 per game. That is 10 pins below the league’s season average to date with the season final position round coming on May 5 at Chaparral Lanes.

With help of a third game 258 recovery, Bob Jones finished with a 200 for 760 to lead a honor roll of 5 bowlers. William Golyer with 212 and 721 and Andy Lorenzo with 210-215 in his 710, were the handful of the bowlers bowling over their averages. Gorman Low hit a 212 and League secretary Bob Taylor rolled a 202.

League average leader Leroy MacMonagle had a terrible day but his teammates Wesley Kay and Patroca Morford with 4 points each took over in helping their leading Orange County win 13-7 over Jones’ S F Valley. That gives the league title outright to Orange County team because with the final position round 2nd place Whittier does not have enough points to overtake.

There is no change in the team line-ups for the final season position round at Chaparral Lanes on May 5 at Noon.

DEAF BOWLER JOE WEISS PASSED AWAY APRIL 17

LOS ANGELES — We got word that Joseph “Joe” Weiss had passed in his sleep at home last Wednesday April 1. He was in his late 70s.

This came as a surprise because he was recovering from a surgery on his right shoulder and planning to return to bowling this fall. He last bowled at Mission Hills Bowl in 2012.

Joe was known as a deaf bowler who won titles in old Blue Chip Stamps tournaments at old Grand Central Bowl, ABT and NBAC tournaments at Mission Hills Bowl. He was a member of So. Calif. Deaf Bowlers and formerly bowled in So. Calif. Deaf Traveling League and Golden State Deaf League. Joe was proud of the 300 ring he got. Our condolences go to his three sons.

LAURA LEE DANIEL Nearly Wins Citrus Belt Men's Masters

by Frank Weiler
REDLANDS — Citrus Belt Hall of Famer Laura Lee Daniel nearly beat our best male bowlers last Sunday at Empire Bowl. IN MY OPINION, it was only some bad luck or should I say some bad pin carry that kept her from making Citrus Belt history. None of our finalists were more consistent than Laura Lee.

Not even our champion, and my good friend Vince Wood, was in the pocket more than Laura Lee.

Ms. Daniel competed against some of Southern California's best male bowlers, including PBA National Multi-titlist MIKE DEVANEY, PBA Regional Champions EDDIE VAN DANIKE and VINCE WOOD, and stalwart PBA Regional competitors BOBBY CAMPAGNALE and RAY COBB, and won as many matches as she lost. In addition to these high rollers she fearlessly faced down such 230 average league bowlers as Zarnoff Benout, Toby Lee, Jeff Lewin, Mike Rick and Justin Ziegler.

Laura Lee performed as well as anyone during qualifying, standing in fourth place after two weeks. Her five game total of 1077 (215 average) outpaced some of her male competitors by over 150 pins, on the tricky Kegel Abbey Road oil pattern. After three weeks of qualifying her score was good for ninth place among forty-three entrants. This field included many young power bowlers, including a two-hander and one fella who is a young and bigger version of BOB BENOIT. Benoit was one of the first PBA stars to roll a ball with his thumb outside the thumb hole. He won several national PBA titles doing so.

During the match play finals Laura Lee only got better. In fact, she led the finals in scoring with a 239.5 average!!! She was one of only three finalists to average 230, with our eventual champion averaging 236.

The finals consisted of a double elimination match play format. Each match was decided by total pinfall for two games. Laura Lee's two game match scores were 485 (258 - 227), 460 (226 - 234), 479 (232 - 247), and 492 (246 - 246). No other bowler in the finals was as consistent. She never bowled a game lower than 226!

Unfortunately, the highest scoring bowler doesn't always win a Master's format tournament. The winner is the most successful match play winner.

Sometimes bowlers win matches with low scores. Sometimes a bowler wins a match with a low score because his/her opponent bowls a lower score. Sometimes a bowler loses a match with a high score because his/her opponent rolls a higher score. That's what happened to Laura Lee Daniel. I was there and saw it with my own eyes.

While Laura Lee always posted great scores, she lost two close matches.

Her first loss was 460 to 470 and her second loss was 492 to 509. Believe me, she was on the brink of winning both of those matches but lost because of a couple of stubborn ten pins. What else could she do?

Congratulations Laura Lee, YOU BOWLED LIKE A CHAMPION. You bowled well enough to win, but were unlucky. Those oval shaped pins are unpredictable and don't always react as they should. My thanks to the BOWLING NEWS for supporting you and all the great women bowlers in Southern California.

WALTER RAY WILLIAMS

nate to have won it."

Williams advanced to the title match by defeating Bo Goergen of Sanford, Mich., 258-191, in the semifinal. Goergen, who was trying for his first PBA50 Tour win, made a dramatic jump from seventh in the match play position round to make the final stepladder spot.

In the opening match, Goergen defeated Hall of Famer Pete Weber of St. Ann, Mo., 259-256. Weber, a 37-time PBA Tour winner who is competing as a rookie on the PBA50 Tour this season, won the PBA Tournament of Champions on March 31 for a record-tying 10th major title and also became the first player to win PBA's triple crown twice. He was also a member of the New York City WTT KingPins team that won the inaugural PBA League Elias Cup.

Several scoring records were set during the Sun Bowl In The Villages which included the first 900 series in PBA history bowled by Joe Scarborough of Mars Hill, N.C., during the tournament's first qualifying round. He ended the tournament finishing in a tie for 49th place. A record 20 300 games were bowled in the tournament and Scarborough along with Williams tied the record for most 300 games bowled in one tournament with three.

Another milestone was set in the Sun Bowl In The Villages when 87-year-old Darrell Ducat became the oldest player ever to bowl in a PBA event.

Throughout the 2013 PBA50 Tour season, players will be competing for the opportunity to advance to the nationally-televised PBA50 Tour Finals which will be conducted as part of the World Series of Bowling V in Las Vegas in November. The top three players in points at the conclusion of the season will advance to the PBA50 Tour Finals.

The PBA50 Tour makes its first visit to the Birmingham, Ala., area for the third stop of the season when the PBA50 Greater Birmingham Open presented by Ebonite will be conducted at Lightning Strikes in Trussville April 28-May 1.

PBA's online bowling channel Xtra Frame will return with start-to-finish coverage of the PBA50 Miller High Life Classic presented by Columbia 300 at George Pappas Victory Lanes in Mooresville, N.C., May 5-8. Click on the Xtra Frame logo on the pba.com homepage for subscription and schedule information.

Chuck Pezzano

Dean of Bowling Writers, PBA & USBC Hall of Fame

The outcome of many a sports event is decided on the judgement decisions of officials.

There's no other way. You can't have a football, baseball or basketball game without officials. The same holds true for tennis, soccer and boxing. The list of sports is almost endless, and it's a rare instance in any sport when the losing participants and their fans are not inclined to disagree with referees, umpires and judges. And that's putting it mildly.

Not so in bowling. It's an exact sport compared to most. On the first ball you knock all the pins down or you don't. If you do, it's a strike. If you don't you receive another ball. If you knock them all down on the second ball you have a spare. If you don't, it's an open frame.

Sure there are rules, and the bowling rule book is of good size, covering practically anything that ever has or ever could happen. The point is that the rule book is seldom necessary.

You must stay behind the foul line. The pinfall must be legal. The equipment you use and the equipment you bowl on must meet standards set forth. At times there are discussions on some of the above points, even heated arguments.

But there are more arguments in a handful of baseball, football and basketball games than there are in millions upon millions of bowling games.

The element of luck plays a minor role in bowling. You can come up with a lucky strike or a lucky game, and even a lucky night, but no bowler has a lucky season or a lucky career. Bowling is a team game, yet it's the individual that counts most.

Once on the approach, and to the foul line, a bowler is strictly on his own. If things go wrong, the bowler usually has only himself to blame. Seldom is the judgement of a second or third party involved or needed.

There is always talk about sports bringing people and nations together. That's a real laugh in many cases. It's more fact than fiction that in certain sports the officials or judges who vote points or rate performances always favor their own country's participants. That's hardly a good way to make friends and influence people.

Boxers who travel to foreign countries, and that includes those coming to the United States from other nations, come to accept the fact that unless they win without any doubt, they will lose. This is particularly true in many of the Olympic sports, with ice skating, gymnastics and diving the most obvious.

This problem doesn't exit in bowling. Competition is fierce, but friendly, more so because there is so little decision making by third or more parties. Bowlers roll and the scores tell the story, the whole story. It's bowling balls against pins and nobody between the ball and the pins to stop or rule against the action.

This nation and many others around the world readily subscribe to the theory that sports promote good will. Too often, ill will is the result.

Bowlers get angry, real angry, but mostly at the pins, the lanes and themselves. They don't have an official at close proximity they can lean on, cry to, or argue with. Bowling can stand alone as a sport for everyone, everywhere, and it can and does bring people, and nations too, together much quicker than most of the sports that seem to grab most of the space and attention.

Bowlers can argue with the best, and they do, mostly with each other. But rarely is it over something that happened on the lanes in regard to rules or regulations. At least rarely compared to other sports.

Refreshing because too many sports resemble wars between officials and participants, and the sport itself loses something.

LOCAL USBC ASSOCIATIONS

WHITTIER – Hello once again to the JAT Farm Club tournament update. This article will be an update of our last two tournaments, since these bowlers still deserve all of our props. A lot to get in so let’s get started.

Back in late March we held tournament #15 at Palos Verdes Bowl. We had twenty bowlers out for this tournament, which allowed us to cut to the top ten for match play. The scoring here was very good, even though this was our SportShot Challenge. The accommodations were excellent, as always.

In the qualifying round we had Shane Pierson leading the way behind games of 246-240-234-247. Well done Shane. He is followed by a long list of bowlers that include Patrick Rodriguez 234-257-238, Joseph Velick 233-256, Stephanie Zavala 224-255, William Benson 246-243, Matthew Zweig 223-246, Daniel Martinez 222-224-245, Bert Dominick 235, Michael Ma 235, Ryan McBride 234-231, Anthony Brough 234-230, Julian Zavala 233, Javier Zavala 227, Ben Gaster 226, Victor Jackson 225, Leah Zweig 224, and Matthew Krull 223. What a list. Shane led at plus 179 and the last to advance came in at plus 30.

In the match play round we have more reportable scores from S Zavala 266, M Zweig 256-234, Martinez 247, Krull 222-234-244, Rodriguez 237, Benson 236, and Gaster 233. Benson use this round and the bonus pins to jump five positions into the final round and Martinez jumped 6 positions into the finals.

The TV-Style Roll-Off (finals) started off with 5th seed Benson (+134) taking on the 4th seed Krull (+136) with Krull taking this game 214-186. Next up for Krull was the 3rd seed M Zweig (+224) and here the tables turned as Zweig capture this game 218-191. Now Zweig had to go up against the 2nd seed Martinez (+227) and he did so with a squeaky win of 201-190. Now against the top seed S. Zavala (230), Zweig jumped out hard and quick. In the best of three games, Zweig needed just two, going 266-188 and 225-205. Congratulations Matthew on your first JAT Farm Club title.

Now to bring us current, our last tournament was held at AMF Friendly Hills on April 7th. Here we had twenty-four bowlers trying out the JAT Open division’s format of six qualifying games followed by bracket elimination (best of three games). We hadn’t been to Friendly Hills in quite some time and it was good to get back there and give us another center option. They made us feel right at home. Thank you.

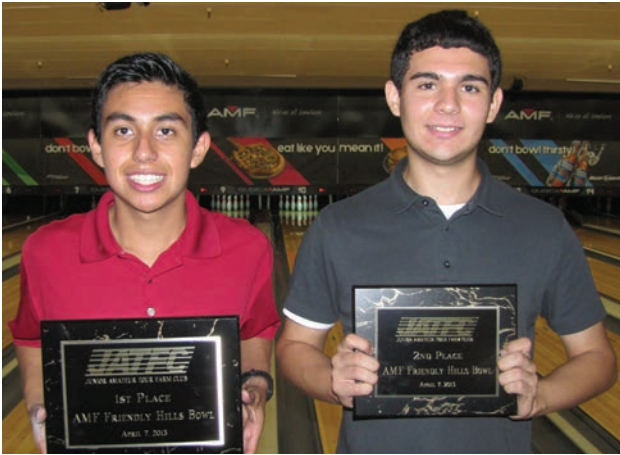

In this qualifying round we have a number of high scores to report as well. We start with Stephanie Zavala and her 254. This is closely followed by Matthew Zweig at 222-255, Julian Zavala 242-224, Rodriguez 228-239, Leah Zweig 224-237, Michael Ma 235, Shane Pierson 235, Ryan McBride 225-233, Eric Torrence 221-233, Martinez 226, Patrick Lofgren 226, and Ben Gaster 220. M Zweig led after the six games at plus 97, while a minus 93 brought up the twelve and final spot to advance into the bracket round.

In the round of 12, the top 4 bowlers were allowed to relax as they each took a bye. On the floor we had Bert Dominick get by Ma, Ryan Weitzel over Torrence, McBride over Patrick Lofgren, and Gaster downing S Zalvala. Notable scores came from the last matchup with S Zavala 246 and Gaster 232-225.

In the quarter final round of eight, we had Dominick over M Zweig with a pair of 222 games, Weitzel going 225-243 to defeat Ju Zavala, Rodriguez with a 254 game in order to get by McBride and Martinez (221 game) over Gaster.

In the semi-final round Dominick had a 256 and just two games to move past Weitzel and Martinez posted a 224 game to take out Rodriguez in two games. So the finals pairing was set and that too just went two games, as Martinez got by Dominick for another title. Game one 228-174 and then a nail-biter 193-191. Congratulations Danny on your 4th Farm Club title.

Alright, quite a bit of writing there. Our next event will be this Sunday at AMF Beverly Bowl. This is another center that has been absent for some time from our schedule. This will also be our 3rd installment of the PBA Challenge. The race for the top qualifier of all three challenges is very close, and if you participated in the first two, you’ll definitely want to be here. You can check the JAT web site for the oil pattern on Saturday night. Check-in for the tournament Sunday morning begins at 8:15 and the bowling to start around 9:00. Bring in your friends as there is only two more regular tournaments left in the season. And please note, our last regular tournament will also be the Open format. Get plenty of rest and I’ll see you at Beverly.

Hornacek Is Perfect - Takes Friendly Hills

WHITTIER — The JAT headed east to Whittier and a trip to AMF Friendly Hills Lanes. Open Division scores were all over but mostly through the roof as Wesley Low led all qualifiers at +259 averaging 243 including a 268 and 278 game in his six. Close on his heels was Parker Brooks who wowed the crowd with a 249-277-279-805 series out of the gate and a +226 qualifying effort. Joseph Grondin made an impressive showing averaging 236 and qualifying 3rd at +219. Kevin Jones, Bobby Hornacek and Jerome Jordan Jr. were all tightly bunched in 4th, 5th, and 6th at +170, +169, and +168. Low to qualify was Treven Goldsmith at +78.

In the bracket, the bottom-4 bowled a play-in round and it was 8th seed Luke Holley advancing past 9th seed Blake McBride into the quarterfinals on the left side of the bracket. On the right, 7th seed Brandon Pekins was too much for 10th seed Treven Goldsmith as he advanced to the quarters.

In the quarterfinals, the top-6 came back into play and it was the two top seeds eliminating the play-in bowlers- leader Wesley Low Jr. over Luke Holley and Parker Brooks over Brandon Pekins. Jerome Jordan Jr. took out Joseph Grondin and Bobby Hornacek ended Kevin Jones’ day in the quarters.

In the semifinal matches, Bobby Hornacek was red hot-putting up a perfect 300 game while taking out top-seed Wesley Low Jr. to advance to the Championship Match. He was joined by Parker Brooks who took out Jerome Jordan Jr.

In the Championship Match, Bobby Hornacek came out striking and took Game 1- 236-202 over Parker Brooks. Parker made a ball change but Hornacek was dead lined up and just attacking the pocket en route to a 242-222 win and a sweep for the title. Congratulations Bobby on some great bowling!

The JAT takes the lanes this Sunday at AMF Beverly Bowl in Montebello- check in at 8:30 bowl at 9:00. Remember, this Sunday is the final installment of our PBA Challenge and the \$100 PBA Bonus will be paid out at this event. The shot will be posted on the website this Saturday afternoon. See you all on the lanes this Sunday!

New Sponsor 'FINANCIAL ADVISORS' is Adding
Money to Super Pots and Sweepers

The Financial Advisors Super Sweeper Sidepot

\$10 weekly entry fee per bowler, with half of the money being paid out each week, and the other half going towards the huge payouts on sweeper night at the end of the season.
With 47 entries on Monday, the Financial Advisors sidepot is looking at \$235 in the weekly sidepot and \$9000 estimated for sweeper night. The top three series will get paid, as well as the top 16 games bowled that night. Bowlers are eligible to cash in each game.
Financial Advisors Super Sweeper Sidepot, will be adding \$1,000 to the total collected. If you win 2 Super Pots all season you'll be ahead before we even get to sweepers with the \$9000 payout. 100% of all money collected will be paid out for the season.

POWER HOUSE CLIMBING...
WATCH OUT TIFCO & J.A.T.

DOWNEY — The POWER HOUSE VIDEO GAMES men missing on the radar screen all season have crept up silently within three games of round five leader TIFCO INDUSTRIES. Taking 3 from GJC SERVICES raised their hopes of getting a shot at TIFCO.
LINDER INSURANCE could also cause havoc. They could knock POWER HOUSE out of the running and put the squeeze on TIFCO. Really? Five teams racing for that final spot? What a round this will be!
No cover charge — Good seats available — Best pizza in town — Come on down.
J.A.T. had a great 2447 scratch series built on Larry Campbell 587, Rick Easley 614, Kevin Yamauchi 616 and David Yamauchi 630. They snatched all five points from A.B.T.A.

TIFCO's five points pushed PRO APPROACH into fifth — but not out of the running. Brandon Golden contributed 571, Jeff Carr 579, Memo Rosales 593 and Raul Rosales 668. Raul's 279 game lead to the money tree! Game 2 side-pot and the Financial Advisors Pot was all his. Newcomer at the cash window was Robert Selnor — game one. Vernon Adams filled his pocket after double checking the 254 on the score board.
THREADWORKS (4th round winner) can't stop winning!! Paul, Ryan, Eric, and Mikey. That's P.R.E.M., which is premium, not just regular. BOWLIUM was forced to take a last minute sub and just couldn't get the MOJO working.
Even though the Ebonite is 99% men — there is a regular rostered female. All year long the computer has listed her as a male...oops. Jessica Diso, check the league sheet. You have women's high series AND women's high game. Order the trophies!

Monday, the league bowled on the "SHORT OIL" pattern and raised the average. This coming week — it will be "SHORT OIL" again. The following weeks the pattern will change again, and again, and again. Next is the regular Del Rio house shot that you've been looking forward to.
Readers are looking forward to your results!!
