AMF Cerritos Lanes – November 19th, 2006 (l-r): Felicia Mara – 3rd; Michael Foley – 1st; Deanna Carrillo – 2nd.

JAT Farm Club

by David Gordon

CERRITOS—Welcome to the latest JAT Farm Club update, live from AMF Cerritos Lanes. Our last tournament was on November 19th, with thirty-one bowlers trying their hands at a new or another title. The scoring was rather low as it's been a couple of years since the JAT came to this center. The Farm Club as a whole averaged just over 169, but took away memories and lessons that I'm sure will be applied to centers in the future.

A few single game reportables were on hand as Kevin Jones gave us the qualifying high game with a 257. Your claim to fame Kevin. Other high games were from Patrick Smith 247, Felicia Mara 244, Darren Pascual 242, Mark Curtis 232, Albert Fernandez 231, James Bael 230, and Michael Foley 222. Consistency was the name of the game as Bael led all after five at minus 52. The cut line of the top 16 came in at minus 136.

In match play we had a few more single game highs as Foley pushed up the tournament high game with his 258. Others included Charlie Hair 246, Jon Hogan 232, Deanna Carrillo 226, Smith 224, and Mara 223. Foley also took the biggest advantage of match play with a seven position jump to leader at plus 38.

The finals started off with 5th seed Smith (-53) taking on 4th seed Carrillo (-34) wanting to make in back-to-back titles. Carrillo took the first match 163-158. Now against 3rd seed Hair (-25), Carrillo step it up a notch to claim this win 250-167. Then it was on to meet 2nd seed Mara (-7) as the two ladies battled. Carrillo advances to the title matches with a 177-162 win over Mara. In the final, best two of three, Carrillo won the first match from top seed Foley 203-153. But with the new format, Foley ties it up with a second game win 189-152. And in the

deciding match, it couldn't have gotten any closer as a missed pin gave the match and title to Foley 157-156. Congratulations Michael.

Bowlers, we announced a schedule change for this weeks tournament. On Sunday December 3rd, we will be at AMF Bowling Square in Arcadia. Also, this tournament will be an extra \$5 dollars, making the tournament fee \$30. This extra fee will help ensure our scholarship payout. Check-in begins at 7:15 and practice will start at 8:00. Also remember that the JAT has a dress code. Please check our website for details at <http://www.bowljat.org>.

Young Gun Wins it For Young One

VERNON HILLS, Ill.—Wes Malott won one for the “Young Guns” Sunday, as well as a young one close to his heart.

The 30-year-old won his second career Denny's PBA Tour title, defeating top-seed Chris Barnes, 269-239, to win the 2006 Discover® Card Windy City Classic at Hawthorn Lanes.

Malott is the first “Young Gun” to win this season in six events. He's one of a group of bowlers on Tour 30-years-old and younger who captured nine titles last season. Malott also dedicated the win to his three-year-old son, Jordan, who was in the hospital earlier in the week. Jordan was healthy enough to be in the crowd Sunday to enjoy his dad's second title.

“Toward the end I kind of got emotional. I just had to keep it under control and bring it home,” said Malott (Argyle, Texas). “The last couple weeks I've been having a hard time making the clutch shots when I need them. I have to get over the hump and make those shots and I'll be able to get a few more titles. Parker (Bohn III) and the leg-

Wes Malott's son, Jordan, holds the Discover Card Windy City Classic trophy.

ends have obviously had a lot of years to gain those titles and it's going to be a lifetime for us to gain those titles too.”

Malott was nearly perfect for the second time in his career on TV, striking with his first eight shots before leaving a 10-pin in the 9th frame. Last season, he shot 299 in the semifinals en route to his first career title in the 2005 Mile High Classic. A strike with his first ball in the 10th frame clinched the win over Barnes, the eighth consecutive top-seed to fall in stepladder finals.

The third-seeded Malott advanced to the finals with a 239-177 win over second-seed Mike Scroggins. Malott struck in six of the first eight frames while Scroggins opened three times in that span.

Malott first defeated the fourth seed and PBA Hall of Famer Bohn, 268-246, finishing the match with eight consecutive strikes.

In the first match, Bohn defeated fifth-seed Jack Jurek, 268-225, striking with his first seven shots.

Malott earned \$25,000 and an exemption for the 2007-08 season, while Barnes (Flower Mound, Texas) took home \$13,000 for second. Scroggins (Amarillo, Texas) earned \$6,500 for third, Bohn (Jackson, N.J.) earned \$5,500 for fourth and Jurek (Lackawanna, N.Y.) took home \$5,000 for fifth.

The Denny's PBA Tour moves to Wickliffe, Ohio for the 2006 Ace Hardware Championship, Nov. 29-Dec. 3, at Free-way Lanes of Wickliffe. The live ESPN televised finals take place Sunday, Dec. 3, at 1 p.m. EST.

Kimberling Rolls By All In Inland Empire NABI

by Quinn

SAN BERNARDINO—Inland Empire NABI was hosted by AMF Arrowhead Lanes this past Saturday for a great competitive tournament.

John Kimberling, our newest champion, was on his game from the very start, since he was our high qualifier. John has been bowling since he was a teen, and loves the game. His highest game ever bowled was a 300 bowled at Concourse (now Arlington Lanes) in Riverside. He also bowls in a league at Riverside Lanes on Thursday evenings.

John won this tournament with many fans watching. Quite a few of his family were there to see him take the “prize”. He wants to dedicate this NABI win to his 19-year-old grandson Nicholas, who he immediately called to tell of his Grampa's triumph.

John also won \$900 with optional upgrade and a champion shirt. Congratulations!!

California Bowling Writers Seek Donations

by Bette Addington
Once again, the California Bowling Writers' (CBW) charity for 2006 is sending phone cards to the troops overseas. This will be the third year for this drive. Each year the amount of donations has increased because more and more bowling groups have become involved in this worthwhile cause.

Through the generosity of The California Bowlers BVL Fund, CBW received \$2,800 toward our phone card project to add to the \$350 already donated! Currently we are still accepting donations and will until the December 31, 2006 deadline. We hope to reach out to all California bowling associations to join in and be a part of this year's drive. Any amount is appreciated. Donations (made out to CBW) need to be directed to: Tina Martin—CBW Treasurer—tijimart@aol.com. Any questions regarding this drive may be directed to CBW President Mary Lynly at 916/782-1321.

Won't you join us in our efforts to be involved in this year's phone card drive? It is a very rewarding feeling to know the cards do get to the troops serving overseas. And, we do get feedback and recognition for this drive. CBW Director Marian Mann said that bowler Vicki Kennedy was at the San Francisco Airport waiting for her plane to depart and she just happened to be wearing a BVL shirt that day. She was approached by a soldier returning from duty in Iraq and he asked her if she was a bowler and when she said she was, he immediately told her how much he appreciated the bowlers of California and their support and caring with the phone cards!

The phone cards will be purchased soon after December 31, 2006, and be sent over so the troops will have them for Valentines Day, 2007. California

USBC'S Registered Volunteer Program Serves As Model For Other Youth Organizations U. S. Olympic Committee Adopts Background Check System Developed by NCYS and NCSI

GREENDALE, Wis.—The goal to protect our nation's young athletes from sexual predators received a major boost recently when the United States Olympic Committee revealed details of its new background screening procedure for team leaders, coaches and additional officials involved in the 2007 Pan American Games.

The USOC is requiring its sports' national governing bodies to utilize the services of the National Center for Safety Initiatives (NCSI), the Cleveland-based screening organization owned and governed in partnership with the National Council of Youth Sports (NCYS).

Earlier this year, the United States Bowling Congress (a charter member organization of the NCYS) and the NCSI tested and began a national roll-out of USBC's Registered Volunteer Program, which was designed to serve as a model for other interested organizations dedicated to preventing abuse of their young athletes and program participants.

"We have been working with the NCYS and NCSI to implement national standards to protect youth participants and volunteers, regardless of the type of sport or social activity," said USBC Chief Executive Officer Roger Dalkin.

"Having the USOC adopt the 'red light/green light' background check system developed by the NCYS and NCSI and used in USBC's Registered Volunteer Program means we've taken the next big step to meeting our goal. I sincerely hope that other youth sports organizations and youth membership groups will join us in our efforts to protect children and teens from abuse."

The "red light/green light" background check system provides vital results information while maintaining the privacy of individuals being screened.

USBC Continued:

by John Jowdy

Several months ago, the USBC issued a newsletter regarding the Refocus On System Of Bowling Research....Bowling Balls, Bowling Pins, Lane Conditioning, and Lane Surfaces.

In a previous column, I addressed the areas of bowling balls and bowling pins. However, I experience great difficulty in expressing my views on out-of-control areas of Lane Maintenance and Lane Surfaces, as presented by the USBC newsletter dated 9-18-06.

In addressing Lane Conditioning, the USBC goes into detail regarding oil application of lane conditioners, which is the liquid applied to wood and synthetic lanes. USBC experts explain the two purposes of lane oil:

1. To protect the bowling surface and
2. Affect the difficulty level of the game, depending on how it is applied.

Currently, the USBC is working to develop a device that measures the amount and location of friction on a lane. Serious bowlers know that friction between a bowling ball and the lane surface dictates how much the ball will hook. This is not a startling revelation. The application of oil on lanes has long been the source of fictitious scores that have made a mockery of the game.

I would like to sensibly address lane maintenance procedures and surfaces but it would be an exercise in futility. The recent USBC press release of record-shattering scores indicate no slow-down of fake, ultra-phony, ridiculous bowling scores that continue to be accepted by the USBC. In addition to these unfathomable scores that have degraded, and distorted our game, our governing body PROUDLY sends out press releases to glorify these "lane doctored" records.

A USBC News release, dated, 9/28/06 listed the following record-breakers among the 2005-06 season:

1. On March 19, a women's team posted a 3-game series of 3610. This represents an average of over 240 per bowler.

2. during the 2005-06 season, a three-man team shot two-300's and a 297 to set a one-game record of 897. Folks, this is an average of 299 per bowler.

3. All other records were mixed teams; those with men and women competing together. On April 7, a five-player team of three women and two men, shot 1305...a "mere" 261 average per bowler.

4. That game helped this team to post a 3625 total, the highest ever for a three-women/two men team series. This averages out to a 725 series per player or a 241 average per bowler.

5. On October 3, 2005, a three- women/one man team shot 1,048, meaning this four-person group averaged a "paltry" 262 per bowler.

6. During the 2005-06 season, a team from Wisconsin consisting of four women and one man set a team game record 1126. This figures out to a 225 average per bowler by one man and FOUR women !

How can I, in all honesty, not respond to such absurdity? When does it stop? Where does it end?

Sports-minded readers ask, "how do amateur bowlers outscore and out-average professionals?" Can anyone blame sports editors for considering bowling primarily as a recreation?

Why do I take such umbrage, displeasure, and bitterness at the direction our game is going? Why? Simply stated, I'd like to see bowling accepted principally as a SPORT, not a recreation. I'd like to see bowling ranked among other individual sports such as golf, racing, tennis, and track. I'd like to see our bowling professionals recognized as athletes. I'd like to see major bowling events recognized in the sports pages of American newspapers.

I have no problem with bowling being classified as a recreation. However, I am violently opposed to rewarding recreational bowlers with national notoriety and sacred records.

So what's the answer? I strongly recommend that any new records ONLY be awarded on Sport Bowling Conditions or in competitions that meet USBC standards. This is, by no means, meant that record bowling scores performed on recreational conditions be ignored. Nonetheless, instead of being rewarded with rings, plaques or medals, recreational bowlers should be complimented with certificates designating the nature and classification of their feats.

Several years ago, bowling hailed the consolidation of the ABC, WIBC, and YABA under the banner of the United States Bowling Congress. I sincerely hoped that USBC would assume a greater role in restoring integrity to bowling. But alas, nothing has changed. As a matter of fact, the only meaningful rule change by the USBC is, "it will no longer issue its "High Score " awards for scores rolled during unopposed bowling sessions before or after regularly scheduled league play.

Woefully, this rule change was prompted by the acceptance of teenager Robert Mushtare's questionable two (he reported three but one was rejected) 900 three-game series that stirred up the greatest scoring controversy in bowling history. Unfortunately, it was too late.

Hopefully, there is still time to take drastic steps to curb the nonsensical scoring madness... despite the severity of the possible consequences.

Editors note: Big thanks to John for your articles. It has been our pleasure to print your articles for 20 years. Keep the game pure! Thats our goal.

Editors note: Didn't see one Californian listed. And we have the best bowlers. Guess we need more snow and less outdoor sports.

COVINA—John Engelbrecht an on and off long time member did it up big time as he won the ABTA Thanksgiving Special at Covina Bowl with a stupendous performance!

This event was held over three days, Thursday, Friday, and Saturday. A nice turnout of 525 entrants trying their game and enjoying the fun, camaraderie, and competition.

The scoring was tough but very fair, as we had lanes dressed as close to the same time daily as you could have. Thursdays cuts had Men +36, Ladies +26, Friday night, near the same Men +37, Ladies +25 and Saturday saw Men +32, Ladies +1. The final Re-entry squad had scores of Men +32 and ladies -1 make the grade. Super Seniors added to the board were, Darwin Balding, Paul Passarino, and Cliff Higgins. Ladies Angie Nillo, & Bobbie Mc Collum, and a fine field of 110 made the semifinals.

The Semis took to the lanes, as we would cut to the top 32, with nearly one in three earning a shot at the big bucks. After three games the cut to the top 32 went Men +14 and the ladies guaranteed seven lady bowlers were -4.

Our finals field was now set at 32 players, 25 men and 7 women. John Engelbrecht and Ronnie Cordero tied for the top seed and in a full game roll off John won out with the right to sit out and bowl for the title with Ronnie seeded into the second round of the top 32 Single elims.

In the round #1 of the single elim finals, each of the first-round losers pocketed checks for

\$190 finishing in 18-32nd places.

Round #2 losers received checks of \$215 each finishing in 10-17th places. Round #3 losers were Demetrius Cash, Sierrie Herradura, Gerald Sanchez and Eugene Haynes, finishing in 6-9th places, and \$235 each.

Round #4 saw Ace Chelsea get aced losing in another tie match roll off to Chris Kelly in a 9-10 frame roll off at 215 each. In a match of two of our pretty ladies, Janice Meloon edged Seoul Kim 202-197. Seul and Ace were 4th, and 5th with great bowling and \$300 each, with Janice and Chris to meet for the right to bowl for the title against John Engelbrecht.

In this match the nerves were on the line on the tough condition. Janice had only two opens and Chris a tough four. She prevailed in a 163-156 score. Chris was 3rd and a fine showing and \$1,000. Janice off to the title game and happily so! Great bowling by Chris who used his soft touch at Covina! He was tough!

The stage was set for the title match and John elected to lead off and he did with a spare. Janice struck then spared and we were on our way. Engelbrecht meant serious business as he rung off a huge six bagger including a huge and lucky brooklyn in frame 9 and speared the 10th for a nice 249/255. Janice who had just thrilled the crowd with a three bagger in frames 7-8-9 could still win it all with a double in the tenth. She gave it her all and come up just a bit high leaving the 3-9 and a nice 191/236 count. What a great exciting fin-

ish! John really bowled well in the win and we are proud of this fine gentleman who I have known many years. He has been in and out of bowling for some time and rejoined us during the past year. He is a part of the contingent of great bowlers and members from the Citrus Belt, Inland Empire who are ABTA Members. John is most deserving and is one fine guy! Great Bowling John! Congrats! He is most deserving.

Also most deserving is the pretty vibrant blonde lady Janice Meloon, our runner up. John hails from the Citrus Belt area. Janice was the crowd favorite at Covina and had them Oooohing and Ahhing there and was a bit nervous of all the attention. She was last standing in the 3-6-9 event there and had the crowd roaring. Janice bowled so well in this event and could have been the winner and would have been if John had not had such a great game. Congrats Janice

Fine bowling Chris Kelly in third and Ace and Seul also, as they could have won this with a break or two.

ABTA NOTES: Our overall high qualifiers this week were Glen Matsumoto with +122 for the men, while pretty Lucia Hwang was the leading lady with a +96 good for free entries.

Lucia drew the Match Series this week, a 598, which made her husband, Koo and Walter Herrarte nice winners sharing \$990 for their fine 598 series.

The Match Game #3 was NOT matched at 292 so we have a \$3,500 Match Game awaiting you this Saturday at Mission

The Optional Doubles were taken by Dale Strader and Tony Rodriguez. Their 1358 got them \$200 we paid 10 places and \$1,010 in the doubles.

John Engelbrecht is from Nuevo and married to Colleen with four sons, John, Jeffrey, Brandon and Brian who were here to watch Dad win at Covina. He used a Lane #1 Plastic drilled by R. J. at Moreno Valley Bowl. He thanks family and buddy ABTA Member John Collier for support and doing the driving.

Thanks, as always, to the Covina Staff Javier, Eric, and the lane men for keeping the lanes fair, tough and even for this special event. We'll be back there on our next schedule and often!

National Deaf Bowling News A 7 Pin Denies Malucci A Perfect Game at La Habra 300 Bowl

by Connie Marchione
LA HABRA—On Tuesday night November 16 in Frank's Gold Cup League at La Habra 300 Bowl after rolling a 214 in first game, the deaf bowler's premier 300 shooter Carl Malucci strung 11 strikes in row in his 2nd game. His 12th ball went in the pocket just like the others but a 7 pin refused to fall. The Whittier lefthander finished third game with a 267 for his second 780 series. That 299 second game is Malucci's career 12th. Two weeks prior in this same league Malucci hit front 10 in row but ended up with 287 and a 778 series. Also after winning the National Deaf Master Bowlers Championship at the Orleans in Las Vegas on October 1 Malucci had a 278 in his first 780 in that La Habra league. While that was not his best league series this season, Malucci shot a 280 and 781 in his other league, Angel West Deaf League at Anaheim Concourse Bowl. In that NDMBA tournament at Las Vegas, Malucci battled head to head with Detroit deaf pro Pete Kaczmarczyk in 2nd block of qualifying round, setting a tournament record 790 for first 3 games (254-279-257) and finished with a 740 for a tournament record 1530 for 6 games. Not wanting to grab all the spotlight, Malucci noted that Daniel Vasquez, Jr who also bowled in the same league with him at La Habra Bowl had a near miss also a short time ago, rolling front 10 strikes in row for a 287 game in a 737 series. In ending Malucci added a classic understandment, (they are) "All near misses but there's no if, could, or but in bowling. Sometimes you get 'em and sometimes you don't. right?"
LINDY DECKER HITS 791 IN HER YORK LEAGUE
YORK, PA—When I emailed to Lindy Decker that there is an item about her deaf women's record 847 series in the Bowler Journal International magazine's November issue. She liked that and asked what's new in deaf bowling. I mentioned Malucci's missing a perfect game with a 299, his two 780s and a 781 in his leagues and DeGroff's 299 and 760 in his. Decker replied that recently she had a 791 in her York league.

USBC Modifies Rules Regarding Accetable Awards For Youth

GREENDALE, Wis.—The United States Bowling Congress Board of Directors has approved the modification of Youth Membership Eligibility Rule 400, effective immediately, to expand the awards deemed acceptable under the terms of USBC Youth membership. In addition to previously allowed symbolic awards, USBC Youth members are now eligible to be awarded bowling equipment, gift certificates, apparel and other merchandise prizes with a total value not greater than \$500 in any one event, excluding scholarships. The modifications also allow for USBC Youth members to compete in singles competition where cash and/or bonds are awarded, as well as merchandise prizes exceeding \$500 in total in any one event, but must waive rights to these awards by signing and completing the USBC Prize Waiver form prior to their participation in that competition. Acceptance of awards of cash or bonds of any amount or any merchandise prizes with a total value higher than \$500 per event remain prohibited for youth members under USBC's revised Rule 400. Violations of the terms of Rule 400 could result in the loss or suspension of youth membership. There also remains no limit on the value of scholarships that can be awarded in youth competition. The scholarship funds from USBC certified events and leagues will continue to be required to be deposited with USBC's SMART program. USBC Youth members may be awarded scholarships from singles competition in which cash and/or bonds are awarded. The USBC Board determined that the former Rule 400 placed unnecessary restrictions on everyone associated with USBC Youth membership and concluded the best course of action to alleviate this issue was to modify Rule 400 effective immediately,USBC President Michael Carroll said. The previous version of Rule 400 intended to protect the current and future interscholastic sports eligibility of USBC Youth members through the most restrictive interpretations and limitations. The USBC Board concluded that placing these restrictions on all USBC Youth members was unnecessary due to the lack of uniform eligibility standards for interscholastic sports nationally. The new structure of USBC allows for addressing of significant issues to be handled in an expedited manner,said USBC Chief Executive Officer Roger Dalkin. The previous version of Rule 400 placed undue and unintended restrictions on USBC Youth members, league and association coordinators and proprietors. The USBC Board modified Rule 400 to address these restrictions and expand acceptable awards that promote and enhance the participation in youth bowling. The USBC Board concluded that compliance with local/state interscholastic eligibility rules and policies is the responsibility of the individual member and his/her legal guardian. However, USBC will continue to educate USBC Youth members and their legal guardians that competing in USBC certified competitions and acceptance of some awards now acceptable under Rule 400 could jeopardize individual member interscholastic sports amateur eligibility.

ANAHEIM—Monday was a disappointment for the Vegas league at Linbrook Bowl. The oil machine for the lanes on the south side of the center had broken down so we were moved to the north side to bowl. We return to Linbrook again next week and also return to the a 9:30 a.m. start because of the league that follows at noon. Team captains and subs have been notified of the time change and hopefully they will notify their team members.

The weekly honor roll reflected low scoring. Berneice King led with 221-537, Patti Givenchin 213-527. Betty Phillips 201-508, Roberta McNaught 205-506, Margo McClain and Teri Hefner had 506, and Madeline Majick,210-500.

Cerritos #2 team became new league leader with 28 wins, followed by Westminster #2 and Del Rio #1 tied at 27, Cal #5, 25.2; Westminster #1, 25; Keystone #3 and Cal #4 tie at 24; Keystone #1, Bowling News and Keystone #2 are tied at 23 wins.

Gloryetta Brown made the oops department this week by traveling to Fountain Bowl but she made it back to Linbrook for the second and third games. LaRuth Murray's husband Herman is her chauffeur and he got lost Monday and wound up at Disneyland, however, he finally got to Linbrook for LaRuth to bowl the last two games. Willie Brown, former Vegas league bowler a few years ago, returned to the league as a sub Monday and she looks great. She also improved her average to 158.

NEXT WEEK: 9:30 A.M. Monday, December 4 at Linbrook Bowl.

Teams 9 And 10 Battle Saddleback's 820 Segment Lead

by Frank Kietz
MISSION VIEJO — John Chapman's Saddleback Lanes' quartet won the first segment rolloff spot. It looks like Bowlers Advantage and Sweetwater Pools have an edge for the second segment spot in Saddleback's 9:00 p.m. Tuesday 820 Scratch Classic.

Bill Brossart and Andy Neeman with current 225 averages pace Andy's Pro Shoppers while Rick Jocham, Tim Hall and Scott Brown help keep the team over the 820 mark.

The Pool cleaners have an 841 average but know how to win the close games. Dave Jacquea uses his 209 average skillfully. Howard Stephens, Craig Hall and Brett Mercer are perfect helpers.

Windsor Mortgage using Geoff Mauer's 227 average to pace teammates Chris De Boer, Johnny Nguyen and Michael Duong to a third place tie with Fantascapes consisting of Paul Rockwood, Les Hayman, Mike Krause and Alex Martin.

Tony Conti continues to head the loop's season high honor roll with a 300/837 followed by 300 shooters, Cam Honig and Frank Street. Missy Bellinder for Precision Pro Shop has a 280/757 heading the distaffer's high scores. Saddleback's 820 is one of Orange County's richest and strongest leagues representing 32 players with 200 plus averages. Owner Dave Del Conte is proud of his league and full service center. He welcomes visitors — for more information call 949-586-5300.

SED Jr. Travel

by David Gordon
CERRITOS — SED Jr. Travel took to the wood at AMF Cerritos Lanes in their last session on November 18th. This was a double session giving the bowlers a chance to correct their mistakes from the first session. It had been a while since the group was at Cerritos and it looks like we'll be back more often or until they get it right. Also I purposely held this article a week to give you a refresher and a reason to return.

In the first session the small turnout struggled a bit. But then — HERE HE COMES TO SAVE THE DAY — J.D. Pelow posted up an 204-205-237/829 set to show it could be done. Way to take the lead. Other reportable scoring, Jasmine Morales 214/752, Andy Betancourt 202/745, Eric Milne 228/728, Kevin Jones 724, Mark Curtis 236/722, Bryan Osborne 710, A.J. Garcia 234, and Deanna Carrillo 220.

In the second session, some learned their lesson and the scoring was a touch better. But like I tell the bowlers, these are the conditions that they'll want to master, making them that much better. Pelow took the top spot again in this session going 227-278-212/867. See, even he found improvement. But in this session J.D. was not alone. Garcia join in on the fun with his 234-242/827 and Osborne had a 236-208/810 set. Nice bowling gentlemen. Other highs came in from Betancourt 202/764, Jones 202/753, Michael Gaylor 746, Max Slevcove 213-210/724, and Milne 724.

Our session this Saturday will be at AMF Bowling Square in Arcadia. Everyone, please look for a mass email giving the address and directions. I may also call on some of you. We had a lot of absences recently and there is a lot to catch up on as well as up-coming events for December. Spread the word and let's get everyone out there. Talk with you soon.

Girls Jr. All-Stars

by David Gordon
CERRITOS — AMF Cerritos Lanes was the site of the last session before Thanksgiving for the Girls Jr. All-Stars. The lanes were pretty beaten up from the early tournament and hard to figure out in general. However, the ladies took in the lessons and made it a good day anyway.

Melissa Pena takes the spotlight on this week with a 205/750 set. Nice bowling M. We also had reportables from Jasmine Morales 230-235/731, Deanna Carrillo 216/712, and Lindsay Hannasch 711.

I'll catch everyone up on team standings and season highs next week. This coming Sunday, the ladies venture to AMF Bowling Square in Arcadia. Start time will be around 2:00. This is another site that we have not been to in quite a while. Bring that mentality. See you soon.
